Possible fall 25 class project with spring 26 implementation or spring 26 class project with fall 26 implementation. Amber will speak with Mike Stillion about the timeline and possibilities.

Passive Placemaking

- Passive placemaking is something you stumble upon that is fun. These are temporary installations that bring artistic joy to a community. We could engage an intern, scouts, other youth. PACO willing to use $5K of designated PACO funds to fund a passive placemaking event? We will think about this and talk more in April or May.
