1. Minutes from the April 17th, 2025 Meeting

Old Business

Jessica provided an update on the Interact for Health Grant. There were 32 applications, and we are one of the 7 finalists. We had an interview with them earlier this week, and it seemed to go well. We will learn about the grant announcement in May 2025. If awarded, we have asked to start in July 2025, but we are willing to wait until January 2026 if needed.

New Business

1. Review & Prioritization of City Council's Goals for 2025 & Research Topics for 2026
Jessica shared her research on all research topics from the January 2025 Council Retreat. HAC was tasked with making a recommendation on what to bring forward for the 2026 budget.

After review and discussion, Jason Bracken made a motion to advance the goals of increasing affordable housing quantities and researching a non-congregate sheltering model.

Public Comment:

The public commented that they favored researching sheltering models and wanted affordable housing as well as "regular" housing for people who move to the area.

The motion passed unanimously.
