PRESENTATION

SHAREFEST 2016

MS. CAROL MICHAEL

Ms. Michael noted it was her pleasure to let Council know it had been another good year for ShareFest. Ms. Michael provided a PowerPoint and noted ShareFest was a service and environmental nonprofit corporation dedicated to the collection and redistribution of items donated by Miami University students and the Oxford community at the end of the academic year. Ms. Michael advised collected items benefitted residents in need and social service agencies throughout the region. Ms. Michael stated ShareFest's Purpose as follows: 1. Help individuals in need by providing them with access to furniture, household goods, clothing and food that are donated by Miami University students or by other community members at the end of the academic year. 2. Teach sharing and environmental ethics and an awareness of diverse backgrounds to the young people who are students at Miami University. 3. Protect and preserve the environment by preventing usable items from going into the landfill. 4. Help the City of Oxford dispose of unwanted items and help clean the City quickly.

Ms. Michael listed each Board member, Planning Committee member and each Recipient Group which included Butler County Children Services, Butler County Success, Habitat for Humanity of Greater Cincinnati, Lighthouse Food Pantry, Ohio Goodwill Industries, Oxford Community Choice Pantry, Preble County Habitat for Humanity and the Student Veterans Association at Miami University.

Ms. Michael noted ShareFest was privileged to use Miami University's Chestnut Fields Parking lot for dispatch, donation collection, and swapping. Ms. Michael advised the site was perfect for access to on and off campus locations and it offered abundant parking for volunteers and the storage trailers provided by Ohio Valley Goodwill. Ms. Michael discussed the donation process for off campus locations and on campus locations noting 43 Miami University residence halls participated in ShareFest 2016. Ms. Michael advised at least 37 donors dropped off donations directly to the Chestnut Fields site. Ms. Michael reported on the number of donations and advised there were 269 off campus pickups. Ms. Michael advised dispatchers allocated pickups based on recipient group needs and the number of volunteers and trucks available at a given moment. Ms. Michael noted ShareFest 2016 collected 77 tons of merchandise which was up from 59 tons collected in 2015 or almost 31%.

Ms. Michael advised Butler County Children Services assisted two families almost immediately and assisted two emancipated youth from the foster care program set up their first apartment. Ms. Michael noted Butler County Children Services will help ten more families in the coming months. Ms. Michael advised Butler County Success provided 14 volunteers for a total of 126 hours and ShareFest 2016 benefitted at least 44 of their client families in need throughout Butler County. Ms. Michael noted the proceeds generated from the sale of ShareFest 2016 donations at Habitat for Humanity of Greater Cincinnati ReStores will help two low income families this year in Oxford as well as 25-28 families in the greater Cincinnati area. Ms. Michael advised ShareFest 2016 donations resulted in over \$11,000 of revenue for Lighthouse Food Pantry in Hamilton. Ms. Michael noted Lighthouse currently served approximately 1,000 people monthly and the money collected from the sale of ShareFest donations would be used to buy food. Ms. Michael advised Lighthouse provided 25 volunteers collectively working 847 hours to pickup and transport ShareFest 2016 donations. Ms. Michael noted ShareFest 2016 donations resulted in \$28,000 in revenue for Ohio Valley Goodwill Industries which will support its mission of putting people with disabilities and veterans to work in the greater Cincinnati community. Ms. Michael advised they provided four employees to staff the dispatch and swapping site throughout the event and three employees and a truck to pickup donations from off campus locations. Ms. Michael noted they also provided storage trailers for other recipient groups. Ms. Michael advised the Oxford Community Choice Pantry received 3,905 pounds of food which was a 50% increase from last year. Ms. Michael noted some items were set aside for Summer Harvest bags. Ms. Michael advised Preble County Habitat for Humanity participated for the first time and received donations resulting in \$300.00 of revenue. Ms. Michael noted they provided four volunteers who worked 32 hours over two days and they would be invited back next year. Ms. Michael advised the Student Veterans Association at Miami University participated for the first time and will use ShareFest 2016 donations to furnish the new Veterans Center at the university.

Ms. Michael provided a detailed thank you to all of those who donated and volunteered to make ShareFest 2016 a success.

Ms. Southard noted we lived in a caring community and it showed.

Mr. McKeehan inquired if Ms. Michael presented ShareFest to the University of Cincinnati. Ms. Michael noted UC contacted Andrew Wilson who provided them with information. Ms. Michael advised she and others presented ShareFest at the National Town Gown Conference in Washington D.C.

RESOLUTIONS

RESOLUTION

NOISE ABATEMENT

A Resolution No. 5002 authorizing a temporary abatement of the Noise Ordinance No. 2550, Section 509.09, on Saturday, October 1, 2016 from 11:00 p.m. until 12:30 a.m. in the Uptown Parks for the Miami Athletics Midnight Madness event. (Doug Elliott, City Manager)

Mr. Elliott advised this event would kick-off the Miami University basketball season and Council approved a noise abatement request last year. Mr. Elliott noted the Right-of-Way request was already approved by staff and the Noise Abatement request required Council's approval. Mr. Elliott advised Lindsay Sparks and Megan Henderson from Miami University were in attendance to answer any questions.

Mr. Dana inquired if there was any feedback last year from area residents. Mr. Elliott noted there was at least one complaint last year. Mr. Elliott advised last year the event was from 10:00 p.m. until midnight and this year the request was from 11:00 p.m. until 12:30 a.m. and it would be on a Saturday versus a Thursday night. Mr. Elliott noted he attended last year and it was a nice event. Mr. Elliott advised the temporary noise abatement would allow a DJ to play music and make announcements. Mr. McKeehan advised as Mayor, he received a complaint from a student living Uptown last year.

Ms. Southard inquired if the event would always take place on a Saturday in the future.

Ms. Lindsay Sparks, advised this was the second year for the event and the hope was to have it on Saturdays in the future knowing the concerns of residents in the area. Ms. Sparks noted the student athletes on the basketball teams loved the event. Ms. Sparks advised it was also Family Weekend and she hoped it would elevate the experience for families coming in to see what options students have to do on weekends.

Ms. Megan Henderson, advised Miami University had the opportunity on this weekend to highlight for students, families and the community, volleyball on Thursday and Friday nights, football on Saturday and hockey on Saturday and this gives Miami University the opportunity to highlight men's and women's basketball teams they otherwise would not see during a Family Weekend type of event.

Mr. Dana inquired if the event drew well. Ms. Sparks estimated at least 200 people attended last year.

Mr. McKeehan moved to adopt Resolution No. 5002. Ms. Southard seconded. The motion passed 6-0-0.

RESOLUTION **COST OF ASSESSMENTS BY LOT**

A Resolution No. 5003 determining the total cost of the assessment by lot, authorizing the list of assessments by lot to be filed with the Clerk of City Council and ordering the same be opened for public inspection and authorizing the Clerk of City Council to publish notice in a newspaper of general circulation that the list of assessments by lot is available for public inspection. (Mike Dreisbach, Service Director)

Mr. Dreisbach advised in advance of the annual summer street resurfacing program the City asks abutting property owners to get their curbs, gutters and sidewalks repaired if necessary. Mr. Dreisbach noted Council approved a Resolution of necessity in April for that to happen. Mr. Dreisbach advised in June Council approved a construction contract to have the repairs made if the property owners elected not to. Mr. Dreisbach noted all but 9 of the parcels were taken care of by the owners and 9 properties were listed on Exhibit "A" (page 39 of Council's packet) for potential cost to levy to those lots. Mr. Dreisbach advised the City would publish a notice for 3 consecutive weeks giving property owners a chance to object if they felt the cost was unwarranted or an error was made. Mr. Dreisbach noted the Clerk would report to Council any objections that might be received.

Mr. Dreisbach advised in the future an Ordinance would come before Council assigning the cost to the properties. Mr. Dreisbach noted at that time property owners could pay the total amount in cash within 30 days or they could choose to have the assessment on their taxes and pay over 5 years at 5% interest.

Mr. Dana referred to page 39 of Council's packet and inquired why all of the properties in question were on Brown Road. Mr. Dreisbach advised many of the other residents banded together and hired the same contractor and had the work done without involving the City.

Vice Mayor Smith inquired if there were any comments from the public and there were none.

Ms. Southard stated there had been a lot of conversation with the residents already. Mr. Dreisbach advised the residents received certified letters about the project and their responsibilities. Mr. Dreisbach reiterated the City would advertise the costs and if residents had objections they had a means to make that known through the Clerk.

Ms. Southard moved to adopt Resolution No. 5003. Mr. Dana seconded. The motion passed 6-0-0.

RESOLUTION
OXFORD RECREATIONAL
TRAIL

A Resolution No. 5004 accepting the proposal and authorizing the City Manager to enter into an agreement attached hereto as Exhibit "A" with Environmental Design Group for Preliminary Design Services for Oxford Recreational Trail Phase II at a cost not to exceed \$27,000.00. (Jung-Han Chen, Community Development Director)

Mr. Chen advised the proposed Resolution was for professional design services for Phase II of the Oxford Recreational Trail. Mr. Chen noted Phase II started at Bonham Road and went counter-clockwise to the Oxford Community Park. Mr. Chen advised the intent was to update the 2007 cost estimate as the City didn't know how valid the 2007 estimates might be when it was time to seek funding for the construction of Phase II. Mr. Chen noted the City advertised for Requests for Qualifications with 8 firms responding and it was narrowed down to Environmental Design Group. Mr. Chen advised a price for the professional design services was negotiated for \$27,000. Mr. Chen reminded Council this was not a construction estimate, just an estimate to decide what funding sources to pursue for the construction of Phase II. Mr. Chen noted one segment of Phase II construction has been submitted to OKI for funding and that will be determined in September.

Mr. Dana stated \$27,000 would be paid for the firm to estimate the cost of construction. Mr. Chen advised yes and noted they would also look at preferred routes. Mr. Dana referred to page 45 of Council's packet item 9 which read 'Opinions of construction cost prepared by Environmental Design Group under this agreement are just that. Environmental Design Group does not warrant or guarantee that the project can be constructed for those amounts and the client agrees that Environmental Design Group cannot be held liable for any discrepancies between bid costs and our opinions or estimates.'

Mr. Dana inquired if the City had expectations for construction costs that were likely to fall within a certain percentage of the cost presented by Environmental Design Group. Mr. Chen advised the City was trying to get the closest number possible and until the entire project was bid out we would not have the actual costs. Mr. Blackburn noted the City already had a grant for Phase II and staff needed to make sure the cost was within the boundaries of the grant. Mr. McKeehan advised Environmental Design Group would look at a few different routes and what might be more affordable. Ms. Southard noted as we foresee an aquatic center at the Community Park this would be a wonderful addition to making it accessible.

Vice Mayor Smith inquired if there were any comments from the public and there were none.

Mr. Dana moved to adopt Resolution No. 5004. Mr. Ellerbe seconded. The motion passed 6-0-0.

RESOLUTION **AMEND AGREEMENT**

A Resolution No. 5005 authorizing the City Manager to amend the Development Agreement between the City of Oxford and Capstone Development Corporation to allow the two (2) unit apartment building designated exclusively to house on site management personnel to be used for rental purposes. (Jung-Han Chen, Community Development Director)

Mr. Chen advised in 1993 a development agreement was entered into between Capstone Development Corp. and the City of Oxford for the development of what is currently called Hawks Landing. Mr. Chen referred to page 57 of Council's packet and noted one of the conditions of the agreement was that one residential building containing 2 apartment units shall be used exclusively to house on site management personnel. Mr. Chen advised Capstone made a request to allow the 2 units to be used for rental purposes since the need for on site management was no longer necessary with today's technology. Mr. Chen asked Council to consider waiving the provision for housing on site management and allowing the units to be rented. Mr. Chen noted a representative from Capstone was in attendance.

Vice Mayor Smith inquired if there were any comments from the public and there were none.

Mr. McKeehan inquired how many people would reside in the 2 apartments.

Mr. Mike Bennet, representing Capstone, advised 4 people would reside in the 2 units. Mr. Blackburn inquired how much occupancy would be reduced with the redevelopment underway at Hawks Landing. Mr. Bennet advised 44.

Mr. Dana moved to adopt Resolution No. 5005. Mr. McKeehan seconded. The motion passed 6-0-0.

RESOLUTION **TAX LEVIES**

A Resolution No. 5006 accepting the amounts and rates as determined by the Budget Commission of Butler County, Ohio and authorizing the necessary tax levies and certifying them to the County Auditor. (Joe Newlin, Finance Director)

Mr. Newlin advised this was an annual step in the budgeting process to certify the inside millage is 3.65% and the expected income would be just over one million dollars. Mr. Newlin noted in November another Resolution would come before Council for the City to receive advances on the income tax for better cash flow.

Vice Mayor Smith inquired if there were any comments from the public or from Council and there were none.

Mr. Dana moved to adopt Resolution No. 5006. Mr. McKeehan seconded. The Resolution was adopted by the following roll call:

AYE: Mr. Blackburn, Mr. Dana, Mr. Ellerbe, Mr. McKeehan, Ms. Southard; Mr. Smith (6)

Mr. Dana noted healthcare costs had been rising over a period of time and inquired if Mr. Newlin could describe the percentage of increases over the years in rough terms.

ANNOUNCEMENTS

Mr. Elliott updated Council and the public with regard to the Police Community Relations & Review Commission meeting which took place August 10, 2016. At Councilor Southard's request Mr. Elliott read a letter from the commission to Chief Jones and the Officers of the Oxford Police Department as follows:

'Nationally the summer of 2016 has been very challenging for police community relations. We were terribly aggrieved over the murders of several law enforcement officers killed in Dallas, Texas and Baton Rouge, Louisiana on July 7 and 17 respectively. The five officers killed in Dallas: Officers Brent Thompson, Patrick Zamarripa, Michael Krol, Sergeant Michael Smith and Sr. Cpl. Lorne Ahrens, were helping citizens exercise their constitutional right to peaceful protest when they were ambushed and murdered. Officers Montrell Jackson, Brad Garafola and Matthew Gerald, were protecting and serving the citizens of Baton Rouge when they too were ambushed and murdered. This type of violence must be condemned. Vigilante "justice" will do nothing to help restore trust between law enforcement and civilians from marginalized communities.

The police involved shootings of Alton Sterling, in Baton Rouge Louisiana, and Philando Castile, in St. Paul Minnesota, also resulted in greater erosion of trust between police departments and some of the communities that they police. The videos in these two incidents were troubling and highlighted the importance of establishing greater effectiveness, transparency, and accountability in community policing.

Our hope is that the Police Community Relations and Review Commission (PCRRC) will be helpful in building and strengthening good relationships between our police department and all of the citizens of Oxford. Citizens and sworn officers have a right to be treated with humanity and respect. Officers have chosen careers that can be dangerous and even deadly. At the end of the day, all individuals (citizens and officers alike), desire to return home safely to their loved ones. We believe that positive relationships between the police and the community is an important part of keeping both the community and our officers safe.

We are grateful for your willingness to protect and serve the citizens of Oxford. We will continue to work with the department in whatever way we can to help you fulfill this mission.

Respectfully,

The members of the PCRRC'

Mr. Elliott advised the police department was surprised and pleased to receive the letter. Mr. Elliott noted he felt the PCRRC was establishing what Council intended for them to do, build better relationships and improve relationships.

Mr. Elliott advised the annual Community Meeting to be held by the PCRRC was scheduled for October 11, 2016 at 7:00 p.m. at the Oxford Fire Station.

Mr. Elliott updated Council and the public with regard to the annexation of the Century 21 property on U.S. 27 South.

Mr. Elliott reminded Council of the Thursday, August 18th Work Session to discuss the five year Capital Improvement Program noting it would take place at 6:00 p.m. at the Courthouse.

Chief Jones reminded everyone that school starts tomorrow for the Talawanda School District and asked motorists to watch out for children and to pay attention to school buses.

Chief Jones reminded everyone of the Community Picnic on Thursday, September 1, 2016 from 6-8 p.m. noting staff looked forward to welcoming the students back to the community.

Mr. Ellerbe advised last Saturday the Red Brick Reunion took place in Uptown Oxford and noted it was a fantastic event. Mr. Ellerbe noted his hope the event would continue in Oxford for years to come.

Mr. Dana congratulated the Oxford Police Division for their intensive training programs with emphasis on community policing and for the cooperation efforts between the Oxford Police Division and the Miami University Police Department.

Ms. Southard noted she was pleased Mr. Elliott read the letter from the Police Community Relations and Review Commission and advised she felt it expressed what all citizens feel about the protection and sacrifices the police force makes.

Ms. Southard advised the railroad crossing on Chestnut Street was closed for 7 days for repairs and encouraged those who do not receive Nixle messages to sign up for the service at nixle.com to learn about important matters going on in the greater Oxford area. Mr. McKeehan noted the railroad crossing on Central Avenue was also closed for repairs.

Ms. Southard noted the Recreation Board was meeting on August 25th to visit a pool in the region to compare it with what Oxford might be thinking of in terms of a new aquatic center.

Ms. Southard welcomed Miami University and Talawanda School District students back to Oxford.

Mr. Blackburn referred to the Proclamation this evening regarding volunteerism and noted the Cajon Navy was out in full force in Baton Rouge. Mr. Blackburn advised citizens with a boat or a four wheeler were out there helping people. Mr. Blackburn asked that they be prayed for and thanked.

Vice Mayor Smith noted the next Council meeting was September 6, 2016.

Vice Mayor Smith advised students were returning to Oxford and noted his hope everyone would make safe and responsible choices until school started on August 29th.

Vice Mayor Smith encouraged everyone to attend the Community Picnic on Thursday, September 1st and noted it was an awesome event.

Staff: Casey Wooddell, Deanna Barbour

Unable to attend: Craig Bennett, Shaunna Tafelski, Wes Cole

The Recreation Advisory Board traveled to Connersville, Indiana to perform a site visit of the Roberts Park Aquatic Center. This facility was constructed in 2006 and includes the following amenities: 2 water slides, zero depth entry pool, six swim lanes and a splash pad area. Attached to this document is a list of questions which was utilized by board members during this site visit.

On the trip to the site, Mr. Wooddell distributed reports and pictures for board members to review from three previous site visits performed in 2016. Mr. Wooddell and Mr. Doug Elliott completed a site visit to Eaton's new facility (2016), and Mr. Wooddell completed site visits in Tipp City and Troy (both opened 2005). Each of these aquatic centers includes some amenities and design aspects which may be desirable for the new Oxford Aquatic Park. Recreation Board members asked several questions about each site and discussed some of the pros and cons to each. A full report of each site visit is available upon request.

The purpose of these site visits is to visually research desirable aspects which will serve the greater Oxford community with the new Oxford Aquatic Park. It is also to discuss specifics with the directors of these facilities to learn what aspects have been successful and what aspects would be changed if the process was started over. Lastly, we seek to learn which architects and constructions companies have been the most successful and pleasing to their customers.

Recommendation: Adopt the Resolution.

Discussion:

The item described below will assist with patient movement, traditionally an area that produces a significant amount of injuries.

This powered cot will replace an older design that only lifted and lowered the patient. The powered unit removes the stress placed on the operator by not only lifting and lowering the patient, it also carries the weight of the cot and patient during the loading and unloading process. The operator carries none of the weight while moving the unit in and out of the ambulance.

This will be our second cot of this type. This also includes a trade-in credit of \$3,500.00 on the unit to be removed from service.

Recommendation: Adopt the Resolution.

Discussion: For the last few years the Fire Division has been providing manpower to Miami to provide EMS coverage at events and Miami has paid the staff working the events. This year Miami requested to contract with the City to provide this service directly, with the Fire Division employees no longer working as contractors for Miami. 17. Waivers. Failure of either party hereto to complain of or to act upon any act or omission on the part of the other party, no matter how long the same may continue, shall not, unless expressly set forth herein to the contrary, be deemed to be a waiver of any of its rights hereunder or waiver by either party, at any time, express or implied, of any breach of any provision of this Agreement shall be deemed a waiver of a breach of any other provision of this Agreement or a consent to any subsequent breach of the same or any other provision.

18. Survival. Any provision of this Agreement that contemplates performance or observance subsequent to termination or expiration of this Agreement shall survive termination or expiration of this Agreement and continue in full force and effect.

19. Relationship of the Parties. It is the express intention of the parties that the City is an independent contractor and not an employee, agent, joint venture, or partner of Miami. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between Miami and the City, or between Miami and any employee, agent, or subcontractor of the City. Both parties acknowledge that the City and any employees, agents, or subcontractors of the City are not employees of Miami for any reason including state or federal tax purposes.

Agenda Title: An Ordinance Repealing Oxford Codified Ordinance Chapter 729, Entitled "Vendors and Solicitors" And Adopting New Oxford Codified Ordinance Chapter 729, Entitled "Vendors and Solicitors".

Recommendation: Adopt the Ordinance.

Discussion:

The current vendors and solicitors ordinance was adopted in 1963 except for two sections. It prohibits door-to-door uninvited commercial solicitation. This provision has not been enforced for several years due to the fact that it is an unconstitutional infringement of free speech. Staff and I are proposing an update to this ordinance. The proposal includes a reasonable limitation on commercial and non-commercial solicitation hours from 9 AM to 9 PM. Also, it requires registration of credentials for commercial solicitors and a \$50 filing fee. There is a provision which prohibits solicitation of a residence if a no solicitation or similar worded sign is posted near the entrance.

ORDINANCE NO.

AN ORDINANCE REPEALING OXFORD CODIFIED ORDINANCE CHAPTER 729, ENTITLED "VENDORS AND SOLICITORS" AND ADOPTING NEW OXFORD CODIFIED ORDINANCE CHAPTER 729 "VENDORS AND SOLICITORS."

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF OXFORD, BUTLER COUNTY, STATE OF OHIO, THAT:

SECTION I: Chapter 729 of the Codified Ordinances of the City of Oxford, Ohio entitled Vendors and Solicitors establishes regulations for license requirements, exemptions, registration requirements, solicitors and peddlers on private residences, milk and food vendors, sales on certain municipal properties and penalties.

SECTION II: The purpose of Chapter 729 is to protect the health, safety, and welfare of the citizens of Oxford and it is in the best interests of the City to provide for regulations. City Council has determined that it would be in the best interests of the City to update Chapter 729.

SECTION III: City Council desires to protect the residential well-being, tranquility, and privacy of its residents by implementing certain curfews for door-to-door activity within the City.

SECTION IV: City Council desires to protect its citizenry from crime, through the efficient use of its limited law enforcement resources, utilizing proactive policing methods, and simultaneously fulfilling its mandatory obligations to balance its budget under Ohio Revised Code §5705.39 and otherwise responsibly conserve fiscal taxpayer resources.

SECTION V: City Council desires to protect its citizenry from crime and fraud perpetrated by criminals posing as door-to-door solicitors or canvassers, as well as protecting its citizenry from criminal activity in general through the use of proactive policing methods and the efficient use of its limited law enforcement resources.

SECTION VI: It is expressly acknowledged and understood Chapter 729 is being enacted in order to protect City citizens and is in compliance with the Sixth Circuit's decision in *Ohio Citizen Action v. City of Englewood*, 671 F.3d 564 (2012).

Recommendation: Approve

Discussion: Passage of this ordinance would give Public Safety Assistants (PSAs) the expressed authority to impound or immobilize a vehicle pursuant to this section. While PSAs have performed these duties for several years as an agent of the Police Chief, a recent review by the Law Director determined that an amendment to this section giving a PSA the expressed authority under this section was prudent.

(2) Payment is made to the Police Department for an immobilization removal fee in the amount as set forth and established by the Oxford Fee Ordinance.

Agenda Title: AN ORDINANCE ADOPTING NEW OXFORD CODIFIED ORDINANCE SECTION 127.13 ENTITLED PARKING ENFORCEMENT UNIT.

Recommendation: Approve

Discussion: Ohio Revised Code Section 737.051 Entitled City auxiliary police unit – city parking enforcement unit, allows for the legislative authority of a city to establish, by ordinance, a parking enforcement unit within the police department of the city. This unit has existed for several years within the Oxford Police Division; however our research did not uncover a specific ordinance creating this unit. While the Public Safety Assistant job classification is established through Salary Ordinance and Civil Service, we believe it to be prudent to adopt an ordinance specifically creating this unit.

The Public Safety Assistant's duties shall be the enforcement of ordinances pertaining to parking regulations as listed in Chapters 351, 353, and 355 of the Codified Ordinances. Public Safety Assistants will also be given the authority to enforce ordinances in Chapter 505 related to animal control. Public Safety Assistants shall also have the authority to determine that it is necessary to impound and/or boot a vehicle pursuant to Section 303.08 of the Codified Ordinances. Public Safety Assistants shall have other related duties as the Safety Director or Chief of Police direct.

Agenda Title: Ordinance repealing Oxford Codified Ordinance Section 351.16 entitled Snow Routes and adopting new Section 351.16 entitled Snow Routes.

Recommendation: Approve

Discussion: While researching the parking ordinances, staff discovered that the penalty section for a violation of Section 351.16 Snow Route was inconsistent with other parking violations in this Chapter. By eliminating subsection (d) in the current ordinance which provides for a penalty under Section 303.99, the penalty for a violation of 351.16 will fall under Section 351.99 Penalty.

This change will make a parking on a snow route violation more consistent with other parking violations. A first offense will be \$25 if paid within ten days and \$50 if paid after ten days. The fine for a second offense within twelve months will be \$50 if the fine is paid within ten days (\$75 after ten days). For a third or any subsequent offenses, the fine is \$75 if paid within ten days and \$100 if paid after ten days.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF OXFORD, BUTLER COUNTY, OHIO, THAT:

SECTION I: Council hereby finds that it is necessary to repeal Oxford Codified Ordinance Section 351.16 entitled Snow Routes, and adopting new Oxford Codified Ordinance Section 351.16 entitled Snow Routes to make the penalty for a violation consistent with other parking violations.

SECTION II: Council hereby repeals Oxford Codified Ordinance Section 351.16 entitled Snow Routes, and adopts new Oxford Codified Ordinance 351.16 entitled Snow Routes as follows (deletions are struck through):

351.16 SNOW ROUTES.

(a) "Snow routes" are hereby defined as streets or portions of streets designated by official signs on one or both sides thereof, installed by order of the City Manager. The City Manager is authorized and directed to designate such streets as snow routes which, for the safety or convenience of the public and the accommodation of traffic, should be kept open and clear when snow accumulations are greater than or equal to three inches (3") or during any level of Snow Emergency.

(b) The City Manager, or designee, shall be responsible for ensuring that special signs are erected which:

- (1) Indicate and identify the streets as snow routes;

Recommendation: Approve

Discussion: While researching recent issues with the Residential Parking Permit (RPP) Program, staff discovered unclear language in the ordinance. The amendments proposed will make the language of the ordinance clear in its intent. This language clarifies that separate RPP zones are established and residents may only park in the RPP zone for which they are permitted. This amendment also changes the penalty for an RPP violation to be consistent with the penalty section of the general parking code by creating an escalating fine structure for late payments and subsequent offenses.
