A Work Session of the Oxford City Council was called to order by Mayor, Kate Rousmaniere on Tuesday, October 17, 2017 at 6:00 p.m. Council members present were Steve Dana, Glenn Ellerbe and Kevin McKeehan. Edna Southard arrived at 6:02 p.m. and Mike Smith arrived at 6:19 p.m. Bob Blackburn was excused.

Staff members present: Doug Elliott, City Manager; Joe Newlin, Finance Director; Casey Wooddell, Parks and Recreation Director; Jung-Han Chen, Community Development Director; Alan Kyger, Economic Development Director; John Jones, Police Chief; Steve McHugh, Law Director and Mary Ann Eaton, Clerk of Council.

Recreation Board members present: Ken Bogard, Craig Bennett, Shaunna Tafelski, Kevin Ackley and Councilor Southard.

Jessica Greene from Enjoy Oxford was also present.

APPROVAL OF AGENDA

Mr. McKeehan moved to approve the agenda. Mr. Dana seconded. The motion carried 5-0-0.

PURPOSE

The purpose of the Work Session was to discuss Financing and Fund Raising options for a new aquatic center and for completing the Oxford Area Trail.

INTRODUCTORY COMMENTS

Mr. Elliott advised Council would discuss two important projects this evening, the new aquatic center and the Oxford Area Trail. Mr. Elliott noted both projects were included in the City Manager's proposed budget for fiscal year 2018. Mr. Elliott advised he proposed redirecting the current park improvement annual debt service amount of \$312,000 for a new 4.5 million dollar general obligation bond for 20 years for the aquatic center. Mr. Elliott noted the Oxford Area Trail is proposed to be completed in phases by applying for and obtaining various grants which will require matching funds. Mr. Elliott advised the proposed 2018 budget includes an appropriation of \$25,000 noting the City received additional grants which will require matching funds after 2018 and Ms. Greene will review those this evening. Mr. Elliott advised the goal this evening was to provide Council an opportunity to receive information about financing options to move both projects forward.

PRESENTATION

Mr. Wooddell introduced Recreation Board members in attendance Ken Bogard, Shaunna Tafelski, Craig Bennett and Kevin Ackley and noted Wes Cole was excused.

Mr. Wooddell advised Ms. Southard was the Council representative for the Recreation Board.

Mr. Wooddell provided a PowerPoint and discussed the 2006 concept map of a proposed aquatic facility in the southern portion of the Community Park noting it was a fairly large footprint. Mr. Wooddell noted the Recreation Board had been working to reduce that footprint to keep the costs reasonable while keeping the desired amenities for the facility. Mr. Wooddell provided an updated concept map from August of this year noting there was still a separate competition pool and the lazy river was integrated into the design of the pool instead of being a separate amenity which reduced the overall footprint significantly. Mr. Wooddell discussed the additional staffing requirements for a new facility including fulltime maintenance personnel which would drastically reduce what the City currently pays Cincinnati Pool Management annually. Mr. Wooddell advised the Recreation Board met with Jessica Greene last week to discuss her funding proposals so the board could decipher what the recommendations might be moving forward. Mr. Wooddell noted at the conclusion of the meeting the board recommended that the City finance the aquatic center and the recreational trail be paid for through a levy. Mr. Wooddell advised the Recreation Board was willing to partner with the Oxford Community Foundation to run a fundraising campaign to raise private donations to assist in funding the new aquatic center.

Mayor Rousmaniere inquired if 4.5 million was a realistic cost for the new facility and Mr. Wooddell advised yes, based on the reduced footprint and based on visits to similar facilities in the area.

PRESENTATION

Mr. Newlin noted many times situations out of the City's control affect how money is spent. Mr. Newlin discussed some of the reasons for declining revenue streams such as the reduction of PSAP's in Butler County, the potential of Oxford having to operate a Municipal Court, the elimination of Estate Tax and the reduction of Local Government Funding. Mr. Newlin advised these revenues in the past enabled the City to help fund capital and equipment purchases. Mr. Newlin noted the improvements made to US 27 North were paid for in cash and the elimination of these revenue streams limit the City's ability to fund projects with cash in the future. Mr. Newlin provided hand-outs and discussed the City of Oxford General Fund Revenue Trends from 2003 to present, and Income Tax Revenues for the same time period. Mr. Newlin referred to his Exhibit "E" which shows a downward trend in Cable TV Franchising Fees due to consumers diverting away from Cable TV. Mr. Newlin advised the Capital Improvement Fund has been receiving \$85,000 to \$150,000 from the Parking Fund to repay a non-interest bearing loan made to the Parking Fund from the Capital Improvement Fund to build the Uptown Parking Garage. Mr. Newlin noted the repayment will continue until 2026 at which time the loan will be paid in full and the revenue will need to be made up somewhere.

Mr. Newlin discussed large outlays of money that have been dedicated for certain projects through 2022 including additional matching funds for the Oxford Area Trail, construction of a passenger rail platform, US 27 paving and the Chestnut Street rebuild. Mr. Newlin noted these were things Council should consider as they decided how to fund the proposed aquatic center.

Mr. Newlin and Mr. Elliott addressed several questions from Council regarding how declining revenues were affecting the City and how they were dealt with during and after the great recession.

Mr. Ellerbe inquired if there were municipal taxes that could be leveraged and Mr. Elliott advised there were limited ones such as an entertainment tax.

PRESENTATION

Ms. Jessica Greene, Enjoy Oxford, advised she would share some concepts for discussion with the goal of getting the trail system complete within 10 years. Ms. Greene noted 20 years ago an active and organized group of citizens, the Oxford Area Trails group, organized the idea of a trail system. Ms. Greene noted in 2007 the OATs group fundraised \$80,000 and hired a firm to do a conceptual design of a trail system and gave the conceptual design to the City. Ms. Greene advised in 2008 the City included the trail system in the Comprehensive Plan. Ms. Greene noted to date 2.7 million dollars had been raised in grants toward the trail system and more was possible if there were more matching funds to contribute toward the grants. Ms. Greene advised active transportation systems that encourage bike and pedestrian travel generally increase property values. Ms. Greene advised she felt a tax levy could be done to raise matching funds which will make Oxford eligible for larger grants. Ms. Greene noted she felt the levy should be for a limited time frame to raise the funds to build the trail system and sunset the levy. Ms. Greene advised this was a citizen led initiative and she would like to see if they would be willing to pay for it. Ms. Greene noted the new aquatic center will cost 4.5 million dollars and the entire trail system will cost 12 million dollars. Ms. Greene advised there was funding for Phase 2 and 3 of the trail system which will require 2 million dollars in matching funds in addition to design funds in the next couple of years. Ms. Greene noted the City will need to cover the design cost and Miami University has stepped up to cover the 1.5 million dollar match as long as the City can show it has a plan to support the rest of the trail system construction. Ms. Greene discussed options to fund the projects, one of which was for the City to borrow loans for the pool of 4.5 million dollars and to seek a levy for 7 million dollars for the trail paired with an additional 3.5 million dollars in grants and a 1.5 million dollar contribution from Miami University. Ms. Greene noted the Recreation Board preferred this option. Ms. Greene discussed option 2 which involved grants, loans and a joint levy for 10 million dollars, and option 3 which involved only a joint levy for 12 million dollars. Ms. Greene provided a handout showing property tax option examples for a levy and income tax option examples for a levy noting Miami University did not support an income tax levy.

Ms. Greene noted she felt if a levy failed, it could be tried again or the trail system stops and the grant money would be reimbursed to OKI. Ms. Greene noted she felt Council should consider what happens by combining the aquatic center and trail system into one levy if the levy failed. Ms. Greene noted after research she felt Oxford residents supported levies and formally asked Council to pursue a levy.

Mayor Rousmaniere noted she felt the trail was needed for access to the pool and she felt the projects were linked. Ms. Southard noted it might be possible to rethink the timing of Phase IV of the trail for access to the new pool.

Ms. Greene addressed questions from Council regarding grants and matching funds.

Mr. Elliott provided Council with a handout regarding property tax levies and noted Oxford had the largest income tax rate in Butler County and the lowest property tax in Butler County.

Mr. Elliott noted a bond for 4.7 million dollars was approximately \$340,000 a year over 20 years which was why he recommended replacing the City's current bond for the Community Park.

Mr. Elliott thanked Mr. Wooddell, Mr. Newlin and Ms. Greene for their presentations noting Council received a lot of information this evening and at some point decisions would need to be made regarding the funding of the aquatic center and trail projects.

Mr. McKeehan inquired if Mr. Wooddell had projected any attendance figures for the new aquatic center. Mr. Wooddell advised an average of between 300 and 400 per day according to the study and as many as 800 on busy days. Mr. McKeehan inquired what the average attendance was currently and Mr. Wooddell advised approximately 147. Mr. McKeehan noted some people felt moving the aquatic center to the Community Park was a mistake because it was too remote. Mr. McKeehan advised he understood the Community Park was the best option since the City did not own the TRI property and to further invest there would be a problem. Mr. McKeehan inquired if Mr. Wooddell projected the increased personnel costs and Mr. Wooddell advised that was part of the feasibility study. Mr. Wooddell noted the study showed the revenues will meet the costs.

Mayor Rousmaniere inquired why the Recreation Board preferred the loan for the pool and levy for the trail funding option. Mr. Wooddell advised it was a safe option for the pool and to make sure it gets built in the desired timeline. Mr. Wooddell noted the Recreation Board was also concerned about community feedback if a levy failed and the pool got built anyway.

Ms. Southard inquired what would happen at the TRI property when the pool was relocated. Mr. Wooddell advised the pool would be filled in, returned to a grass field and the land would be turned over to the TRI Foundation.

Mayor Rousmaniere noted some citizens felt the City should keep the existing pool. Mr. Wooddell advised the costs and the ability of the existing pool to serve the community were non-existent.

Mr. Dana noted educating the public was important no matter which funding option was selected. Ms. Greene advised the Oxford Area Trail group was willing to provide education for the citizens.

Council further discussed the funding options presented this evening. Mr. Elliott advised a follow-up Work Session would be scheduled.

ADJOURNMENT

Mr. Dana moved to adjourn at 7:17 P.M. Mr. Smith seconded. The motion carried 6-0-0.

A regular meeting of the Oxford City Council was called to order by Mayor Kate Rousmaniere on Tuesday, October 17, 2017 at 7:30 p.m. Those members present were Steve Dana, Glenn Ellerbe, Kevin McKeehan, Mike Smith and Edna Southard. Bob Blackburn was excused.

PUBLIC PARTICIPATION

PUBLIC COMMENTS

Ms. Holly Larson, 1324 Dana Drive, asked for Council's support of the bike path. Ms. Larson noted she grew up in Oxford, has three siblings, and they used to get in the family mini van with 3 bikes and go to Miami Whitewater Forest to ride bikes. Ms. Larson advised she would like to see a bike path here for all Oxford residents.

Mr. Marty Creech, 6721 Camden College Corner Road, thanked Council for their support of Oxford Area Trails. Mr. Creech noted for 20 years he had come before this body to seek approval for various steps that have been taken along the way and he has been met with nothing but enthusiasm and encouragement. Mr. Creech advised he was aware of the many projects pulling at the City's purse and he would like Council to consider the Oxford Area Trail which brings safe transportation to corridors for residents and children, an amenity for employers to tout as they fill positions and a progressive face to visitors looking for a place to recreate. Mr. Creech noted now that there was asphalt on the ground the vision of what this can be is realized by more than just a few and he would ask Council to take action by finishing what many Councils before them have seen as an asset to the City concerning transportation, recreation and tourism and find a way to make it happen.

Mr. Ron Siliko, 6244 Hester Road, noted he worked for Miami's Recreational Sports Center. Mr. Siliko noted having looked at the pool projections in terms of revenue he felt there was a certain optimism in the numbers. Mr. Siliko advised he was concerned the City would end up subsidizing the pool. Mr. Siliko advised he supported the trail system and noted his hope it would be supported in a way that it could also be part of the general road improvements that happen throughout the community. Mr. Siliko noted it was a transportation mechanism and he felt it should be viewed as such and valued as such and be part of the City's plan for roads overall.

RESOLUTIONS

RESOLUTION **AGE FRIENDLY OXFORD**

A Resolution No. 6006 of the City Council of Oxford, Ohio to join the World Health Organization's and AARP's Network of Age-Friendly Cities and the AARP Livable Communities and commence the "Age-Friendly Oxford – A Great Community For All Ages" initiative. (Doug Elliott, City Manager)

Mr. Elliott referred to pages 23 to 32 of Council's packet noting it contained the application and the letter for the designation and he would like to ask Ann Whelpton to present the information to Council and to the public.

Ms. Ann Whelpton, representing Oxford VillAGE Network, as one of the co-chairs noted the other co-chair was Jessica Leek who regretted not being able to be in attendance. Ms. Whelpton advised they represented a group of volunteers 200 strong who have been advocating for the needs of Oxford's older adults for about 4 years. Ms. Whelpton noted Council had a Resolution before them and application materials for the City of Oxford to become a member of the World Health Organization and AARP. Ms. Whelpton advised the initiative for Oxford was called "Age Friendly Oxford – A Great Community For All Ages". Ms. Whelpton noted there were three local organizations that have been instrumental in preparing these materials for Council's consideration and in driving this initiative for the community: Oxford VillAGE Network, Oxford Seniors, Inc. and Miami University Scripts Gerontology Center. Ms. Whelpton introduced Dr. Suzanne Kunkel from Scripts Gerontology Center, Amanda Horn, a graduate assistant working with Oxford VillAGE Network and Steve Schnabl, Executive Director, Oxford Seniors.

Ms. Whelpton advised these three organizations have worked to evaluate and address current and future needs of Oxford area older adults. Ms. Whelpton noted Oxford Seniors has been a service provider since 1953, Oxford VILLAGE Network joined in 2013 as advocacy and partnership builders and Scripts Gerontology has been a national research center for almost a century. Ms. Whelpton noted in May, the group decided the time was right to go beyond their advocacy work to a wider partnership including more community partners, elected officials, higher officials and appointed officials. Ms. Whelpton advised advocacy and awareness can go so far and when it comes to infrastructure such as housing and transportation there needs to be involvement from those who can influence planning, projects and partnerships. Ms. Whelpton noted the group looked at many different models of preparing communities for their aging population and chose a network that is a combination of the World Health Organization (WHO) and AARP. Ms. Whelpton advised WHO designed the model and AARP adopted it in 2012 and now they are a combined model. Ms. Whelpton noted this model was chosen because it has the best research backing it, it's simple, straight forward, free and it offers by far the best resources and support of any of the models they looked at. Ms. Whelpton advised the model emphasizes livability for all ages and focuses on the aspects of quality of life that all age groups have in common. Ms. Whelpton noted WHO developed eight domains of community life and advised Oxford did not necessarily have to address all eight domains going through the cycle of community improvement. Ms. Whelpton advised a requirement of joining the network is for Oxford to perform a community needs assessment as a baseline to determine which of the domains to focus on. Ms. Whelpton provided PowerPoint slides showing various demographics and advised in Butler County in 2010 the percentage of population over age 60 was 15%, in 2020 it was projected to be 21.6% and in 2030 it was projected to be 24.95%. Ms. Whelpton noted as a frame of reference, the number of 80 year olds in our community now will double in the next 12 years. Ms. Whelpton advised the City collaborated with a housing survey in 2014 and that analysis estimated that there was a need for 25-30 senior housing units and noted a local developer estimated it would be 50 or more units by 2021. Ms. Whelpton advised she felt the community needed to plan and seek resources as even in a college town Oxford would feel the impact of an aging population. Ms. Whelpton noted four steps were necessary to join the network within five years as follows: 1. Enter the network and establish a task force, 2. Perform a community needs assessment, 3. Implementing projects identified in the needs assessment and 4. A final evaluation, recommendations for a continuous cycle of improvement going forward. Ms. Whelpton advised there were many benefits associated with joining such a network including being recognized as a community committed to being more age friendly and being eligible to seek certain resources and funding opportunities. Ms. Whelpton noted Cleveland was the first City in Ohio to join the Age Friendly Network 3 years ago and Columbus was the second to join two years ago. Ms. Whelpton advised Oxford would be the third Age Friendly Community in Ohio and the first small town and AARP was excited to have a small town in the network.

Mr. McKeehan inquired who was responsible for performing the community needs assessment. Ms. Whelpton advised Dr. Kunkel and Scripts Gerontology Center have made a commitment to do the survey which was a significant in-kind contribution.

Mayor Rousmaniere noted it was her understanding to join the network did not require an upfront financial contribution although the City pledges to support other activities in the future like project implementation.

Mayor Rousmaniere referred to a list of organizations Ms. Whelpton showed on a previous slide and inquired if they were making a commitment to support this effort. Ms. Whelpton advised they are aware of the initiative, they have seen the Resolution, they feel it is compatible with their work and they see it as positive for the community. Ms. Whelpton advised with the AARP model, the City must be the applicant and the City is making a commitment for a five year community improvement model. Ms. Whelpton advised the oversight and coordination of the work would be done by herself and Jessica Leek at the local level.

Mr. Dana inquired if Ms. Whelpton wished to mention the booklet Oxford Village Network already had available. Ms. Whelpton advised the Oxford Area Resource Directory was funded by AARP, McCullough Hyde, Butler Rural Electric and the Oxford Community Foundation and it was a Resource Directory for families in Northwest Butler County. Ms. Whelpton noted the directory was posted on line and was available in hard copy last month.

Ms. Amanda Horn, 314 S. Poplar Street, noted she was a gerontology student at Miami University and had been working with Ms. Whelpton for 2 years. Ms. Horn advised this Resolution has changed the way she looks at how we approach aging in our community. Ms. Horn noted the Age Friendly initiative was friendly for all ages and students wanted to become a part of Oxford and Oxford can become a part of the students. Ms. Horn advised she felt there were resources at our disposal that can only help the relationship between these two groups of people. Ms. Horn noted she felt it would be a disservice to the community and to Miami University if we didn't adopt this and work together to create intergenerational relationships and more resources for the amazing people that make Oxford such an awesome home for Miami.

Ms. Southard advised she felt the Resolution represented a huge amount of work and Ms. Whelpton should be congratulated for doing it. Ms. Southard noted she would like people to be able to age in place here in Oxford and she felt people who retire and live here contribute enormously to the cultural life and to the community.

Ms. Whelpton recognized Ms. Joan Potter Sommer who was in attendance noting she gave birth to this initiative in a visioning session in 2011 with the Board of Oxford Seniors.

Mayor Rousmaniere noted the reward for good work was more work and she felt this network provides access to a lot of resources that can be beneficial to the community. Mayor Rousmaniere thanked Ms. Whelpton for her efforts.

Mr. Dana moved to adopt Resolution No. 6006. Ms. Southard seconded. The motion passed 6-0-0.

RESOLUTION **AMEND AEP AGREEMENT**

A Resolution No. 6012 authorizing the City Manager to amend the agreement with American Electric Power (AEP) for the procurement of electricity generation for the City of Oxford's Electric Aggregation Program for a period of thirty six (36) months at a lower rate than the current contract. (Doug Elliott, City Manager)

Mr. Elliott advised the current contract with AEP expires May 2018 at \$0.05785 per kWh for wind generated electricity. Mr. Elliott noted AEP offered to reduce that rate to \$0.5156 per kWh in return for a 36 month extension of the contract beginning around the December meter reading dates. Mr. Elliott advised since the current contract will expire in May of 2018, the proposal is a 31 month extension. Mr. Elliott noted this change will result in a savings of \$8.81 for a customer with electric consumption of 1,400 kWh per month or \$52.84 for six months. Mr. Elliott advised the non-green rate is also reduced. Mr. Elliott noted he checked the PUCO price to compare electric supplier rates for an individual Duke customer and the lowest rate for 24 months only was \$0.0587 for 100% renewable and 36 months was \$0.0609 per Kwh. Mr. Elliott advised the City could wait until March 2018 to request RFP's for a new contract to begin in June of 2018 but there is no guarantee of receiving a lower rate. Mr. Elliott noted the residents in the aggregation program will be paying more for electric generation through the rest of the initial contract period. Mr. Elliott recommended that Council accept this proposal and authorize the City Manager to sign the amendment (#2) with AEP for the procurement of electric generation for the City of Oxford's Electric Aggregation Program for a period of 36 months at a lower rate than the current agreement and incorporating the subsequent opt-out language which was amendment #1.

Mayor Rousmaniere inquired if there were any comments from the public and there were none.

Ms. Southard advised the Electric Aggregation program was the result of an initiative begun by the League of Women Voters and she felt it benefitted the community tremendously. Ms. Southard noted it was great that its been watched so carefully that citizens can save additional money on their electric bills.

Mr. Dana noted it was great that the energy product was 100% wind generated electricity.

Ms. Southard moved to adopt Resolution No. 6012. Mr. Dana seconded. The motion passed 6-0-0.

RESOLUTION

A Resolution No. 6007 approving members appointed by the City Manager to the Income Tax Board of Review for a period of three years for the City of Oxford, Ohio. (Doug Elliott, City Manager)

Mr. Elliott advised under the former Income Tax Ordinance there is an Income Tax Board of Review and the state has since adopted new regulations. Mr. Elliott noted the City received an appeal from a retail company which will require the City to activate the former Income Tax Board of Review. Mr. Elliott recommended the appointment of three residents of the City of Oxford: John Clements, Mike Davis and Richard Keebler.

Mr. McHugh advised the tax year of the appeal fell under the former Tax Code (prior to 2016).

Mayor Rousmaniere inquired if there were any comments from the public and there were none.

Mr. McHugh referred to page 40 of Council's packet and asked Council to amend the Resolution to add the third appointee, Richard Keebler.

Mr. Dana moved to amend Section 1 and Section 2 of the Resolution adding Richard Keebler as the third appointee. Ms. Southard seconded. The motion passed 6-0-0.

(Mike Dreisbach, Service Director)

Mr. Dreisbach advised ODOT planned to do some preventive maintenance on 732 through Butler County and this is their mechanism of putting the City on notice that they will be working in the City and that they will fund the project 100%. Mr. Dreisbach noted this was a sign upgrade project sponsored by ODOT.

Mayor Rousmaniere inquired if there were any comments from the public and there were none.

Mayor Rousmaniere inquired where the project will occur on 732 and Mr. Dreisbach advised the entire Route through Butler County.

Ms. Southard inquired when the project would occur and Mr. Dreisbach advised the summer of 2018.

RESOLUTION **2018 CDBG**

A Resolution No. 6009 authorizing the City Manager to submit eligible projects to the Butler County Board of Commissioners for the 2018 Community Development Block Grant Program (CDBG) year application. (Mike Dreisbach, Service Director)

Mr. Dreisbach advised this was an annual process noting a list of qualified improvements or projects needed to be submitted to the Butler County Commissioners to secure the City's eligible funding from HUD. Mr. Dreisbach advised the City expected to receive \$113,000 through HUD and of that \$96,000 is eligible to be used for projects. Mr. Dreisbach noted staff was recommending the funds be used for the continuation of sidewalk and handicap ramp improvements.

Mayor Rousmaniere inquired if there were any comments from the public and there were none.

Mr. Dana noted the handicap ramp installations were positive and fit right in with the “Complete Streets” notion that Council has heard about from the Planning Commission and from the consultant that visited Oxford.

Mayor Rousmaniere inquired how many more handicap ramps were needed in the City. Mr. Dreisbach advised approximately 108 intersections (times 4) which would take 7-8 years if only CDBG funds were utilized for the work.

Mr. Dana moved to adopt Resolution No. 6009. Mr. Smith seconded. The motion passed 6-0-0.

RESOLUTION

A Resolution No. 6010 authorizing the City Manager to enter into a contract with PST Services, LLC, for business support services at a cost of five percent (5%) of net revenue from cash receipts arising from the provision of patient services and related activities. (John Detherage, Fire Chief)

Chief Detherage advised this was a renewal of the contract with the City’s EMS billing company noting a lower rate had been negotiated for the new contract. Chief Detherage advised the new contract would save the City approximately \$5,700 next year and he recommended approval of the new contract.

Mayor Rousmaniere inquired if there were any comments from the public or from Council and there were none.

Mr. Dana moved to adopt Resolution No. 6010. Mr. Ellerbe seconded. The motion passed 6-0-0.

A Resolution No. 6011 declaring certain City property no longer needed for any municipal purpose as surplus and authorizing its trade to Zoll Medical Corporation in exchange for EMS supplies in the amount of \$6,000.00. (John Detherage, Fire Chief)

Chief Detherage reminded Council that McCullough Hyde Memorial Hospital donated 4 new cardiac monitors for the City’s use earlier this year. Chief Detherage advised Captain Jay Fields secured an offer from Zoll Medical to provide a \$6,000 credit to the City for the purchase of medical supplies in exchange for the 4 older monitors.

Mayor Rousmaniere inquired if there were any comments from the public and there were none.

Councilors felt this was a good business decision.

ANNOUNCEMENTS

Mr. Elliott reminded everyone Issue 5 on the General Election ballot on November 7, 2017 dealt with Charter Amendments for the City of Oxford. Mr. Elliott advised he spoke to 4 organizations regarding the amendments and answered any questions they had. Mr. Elliott noted for the public that the amendments were posted on the City's website.

Chief Jones reminded the general public that Trick or Treat was October 31st from 5:30 to 7:30 as it is every year and established by Ordinance.

Mr. Wooddell advised Trick or Treat OPRD Style would take place in the Uptown Parks on Thursday, October 26th from 4:30 p.m. to 6:30 p.m. followed by the Lions Club Parade at 7:00 p.m. Mr. Wooddell noted Teen Scary Movie Night was next Friday at the TRI Community Center.

Mr. Kyger noted Tim Hortons opened this morning at 4:00 a.m. and their Official Ribbon Cutting was scheduled for November 17th. Mr. Kyger advised a store called Fridge and Pantry was opening on Church Street by Steve Thomas and Cody Costanzo who have other establishments in Oxford including Seaview Outfitters. Mr. Kyger noted Steve and Cody opened Seaview Outfitter locations at IU and UK as well.

Mr. Kyger advised Leei and Lou opened on Saturday as well as the Haven at College. Mr. Kyger noted things were happening in Butler County outside of Liberty Center.

Mr. McHugh noted another cost factor regarding legal expenses was the property acquisition off of Country Club Drive.

Mr. McKeehan noted this year was the 70th Annual Lions Club Halloween Parade in Oxford.

Mr. Dana applauded the vision and work of Oxford VillAGE Network noting he felt their efforts would definitely benefit the community.

Mr. Dana reminded Councilor's to discuss Issue 5 with citizens.

Ms. Southard noted the Coalition for a Healthy Community was sponsoring several upcoming events including a Youth Mental Health Forum on October 24th from 9-4 at LCNB, Medication Take Back Day on October 28th from 8 a.m. to noon in the Uptown Parks and a Super Kids Safety Celebration on October 28th featuring crafts, food and fun.

Ms. Southard reminded everyone to visit the Oxford Farmers Market on Saturdays with fall hours of 9 a.m. until noon.

Mayor Rousmaniere applauded Oxford EMS for assisting her husband recently as well as McCullough-Hyde noting Oxford was fortunate to have a local hospital.

Mayor Rousmaniere advised tomorrow night is the Oxford City Council debate sponsored by the Miami Student and noted there were 9 candidates vying for 4 slots. Mayor Rousmaniere advised the debate would begin at 7:30 p.m. at the Wilks Theater in the Armstrong Student Center on Miami's campus.

Mayor Rousmaniere noted she had a message from Dean of Students, Mike Curme, about a project he is working on. Mayor Rousmaniere advised at the Ohio Town/Gown Summit the City and Miami University co-sponsored this past July there were participants from college towns across the state that expressed interest in addressing the problem of Ohio's particularly unusual home rules about alcohol. Mayor Rousmaniere noted by Ohio law municipalities can not amend or make any regulations about alcohol sales. Mayor Rousmaniere advised many people in college towns have seen in other states that the laws are different, where college towns can adapt alcohol rules to their particular needs, i.e., by regulating early sales or discount sales. Mayor Rousmaniere noted the conference ended with a call to action during which some participants agreed it would be beneficial to work collaboratively with the Ohio Liquor Board and legislators to reduce high risk alcohol consumption. Mayor Rousmaniere advised there was a small working group from the conference (The Ohio Consortium Call To Action Group) who are beginning to have conversations with the Ohio Liquor Control Board about legal strategies. Mayor Rousmaniere noted by Ohio law people 18-20 years old can legally enter establishments that serve alcohol at the discretion of the establishment. Mayor Rousmaniere advised in Oxford often times people of legal drinking age pass drinks to those who are underage and the problem is furthered by the extensive use of professional looking fake ID's to purchase alcohol once inside the bar.

Mayor Rousmaniere noted the impact of this practice on the state and the city is significant as research data shows while incoming first year college students in Ohio are less likely to drink in bars than students across the nation, roughly 6 weeks into the semester there was a significant jump in the proportion of Ohio students drinking in bars with the Ohio number rising to far exceed the national average in all three years. Mayor Rousmaniere advised that increase is even steeper at Miami University, the rate of first year students drinking after the first 6 weeks is significantly higher even in the Ohio national average. Mayor Rousmaniere noted the Consortium has been told how challenging it will be to get any traction on making any changes at the state level. Mayor Rousmaniere advised the group is trying to respond to this challenge with relatively small first step proposals that might serve as the entry point for more significant future change. Mayor Rousmaniere noted in every action they are doing they want to include permit holders in the City of Oxford. Mayor Rousmaniere advised the group was focusing on the odd tension between the state drinking age of 21 and the entry age of 18 and are proposing interventions only for bars that choose to admit 18-20 year olds, and only in towns with high a density of 18-20 year olds relative to the permanent population. Mayor Rousmaniere noted one solution is to propose the use of 'Intellicheck' which is a modern technology that assists with authenticating ID's for establishments that allow entry to 18-20 year olds. Mayor Rousmaniere advised another proposal is to give municipalities the authority to prohibit drink specials before 5 p.m. for those same establishments. Mayor Rousmaniere noted the plan was to gain support and advocacy leading to a process for petitioning change in Columbus and reiterated that permit holders will be included in these discussions. Mayor Rousmaniere advised at some point the consortium may come before Council to request their support of these efforts.

ADJOURN

Mr. Dana moved to adjourn at 8:44 p.m. Mr. Smith seconded. The motion passed 6-0-0.

Recommendation: Approve

Attendance: Members: Ken Bogard, Kevin Ackley, Craig Bennett, Wes Cole

Liaisons: Casey Wooddell, City Staff; Edna Southard, City Council; Deanna Barbour, Recorder

Guest: Jessica Greene, Enjoy Oxford

Discussion:

Recreation Advisory Board (RAB) met Tuesday, October 10 at 4:00pm at the Oxford Seniors Center. Mr. Wooddell informed the RAB members of the work session with City Council scheduled for Tuesday, October 17 at 6:00pm. Mr. Wooddell informed RAB members this meeting would be centered on the funding of the family aquatic center.

Ms. Jessica Greene was invited to the meeting to discuss ideas and concept of a potential levy to help fund the aquatic center and/or OATS multi-purpose recreation trail. Ms. Greene distributed information to the RAB members and reviewed two concepts, including the pros and cons of each plan. Ms. Greene outlined the current phases of the OATS trail which have either been completed or scheduled for completion in the coming years, as well as the remaining sections of the trail which will be vital to providing active transportation to other neighborhoods and destinations in and around the City of Oxford.

Mr. Wooddell informed the RAB members that they will need to make a recommendation to City Council at the work session regarding which funding method to utilize for the new aquatic center. The RAB will be asked to present first at the Council Work Session.

RAB members entered further discussion about active transportation options and its importance to the new family aquatic center's location at the Oxford Community Park. Ms. Greene noted the OATS trail intentionally connects neighborhoods and schools all around the City. Public transportation was also discussed, including future consideration for bus shelters and pickup locations, and how the future plan needs to include a stop at the Oxford Community Park.

RAB members engaged in heavy discussion about the pros and cons of the levy options presented by Ms. Greene. This discussion included when the levy would be presented (Spring 2018) and how a potential failed levy could impact the timeline and construction of the aquatic center. Mr. Bogard made a motion to recommend separating the funding for the aquatic center and the OATS trail, and having the City pay for the aquatic center and utilizing potential levy funds to complete the OATS trail. Mr. Ackley seconded the motion. Following some additional discussion, motion carried 4-0.

Mr. Wooddell provided RAB members with an updated concept sketch of the aquatic center, including many of the changes requested previously. Changes included a re-orientation of the competition pool, reconfiguring the lazy river length and layout, and engineering the concession and restrooms area in such a manner to be accessible to aquatic center patrons, swim meet patron and sports field users at the same time.

Meeting adjourned 5:30pm.

Agenda Title: A Resolution To Authorize The City Manager To Join a Coalition Of Municipalities Retaining Special Counsel For Purposes of Initiating Litigation to Challenge The Constitutionality Of Amendments to Chapter 718 Of The Ohio Revised Code Relating To Municipal Income Tax

Recommendation: Approve

Discussion:

Staff recommends Council approve of this ordinance. On November 3, 2015 the City of Oxford updated its income tax ordinance to conform to HB 5. This was to make Municipal Income Tax collections uniform across the State. HB 49 the biennial budget of the State of Ohio added provisions for the centralized collection of net profit taxes to be collected by the Ohio Department of Taxation at the discretion of the business owner. If a municipality does not adopt these provisions by January of 2018, they risk losing its authority to collect any income taxes at all.

Two areas of concern are this is in violation of Home Rule and single subject rule in Section 15(D), Article II of the Ohio Constitution "No bill shall contain more than one subject, which shall be expressed in its title". I have included in exhibit "A" documentation going into greater detail on these two points and others.

A RESOLUTION AUTHORIZING THE CITY MANAGER TO JOIN A COALITION OF MUNICIPALITIES RETAINING SPECIAL COUNSEL FOR PURPOSES OF INITIATING LITIGATION TO CHALLENGE THE CONSTITUTIONALITY OF AMENDMENTS TO CHAPTER 718 OF THE OHIO REVISED CODE RELATING TO MUNICIPAL INCOME TAX.

WHEREAS, the City of Oxford recognizes, as a home rule power of local self-government, that municipal income tax administration and collection is vital to the health, safety and welfare of the municipality; and

WHEREAS, the City of Oxford relies on the revenue from effective municipal income tax administration and collection to provide the services that maintain the health, safety and welfare of the municipality; and

WHEREAS, the Ohio General Assembly has attempted to assert control over the administration and collection of municipal income taxes by claiming that a municipality has no authority to impose an income tax unless it adopts a code in strict compliance with R.C. Chapter 718; and

WHEREAS, the established law of Ohio is clear that any such preemption of municipal income tax codes by the State of Ohio violates the Ohio Constitution and home rule provisions that allow a municipal corporation the right to administer and enforce its own municipal income tax; and

WHEREAS, more specifically, the State of Ohio has enacted HB 5 in 2014 comprehensively rewriting the entire municipal income tax law and HB 49 in 2017 authorizing centralized collection by the State of Ohio of municipalities' net profits taxes; and

WHEREAS, the City of Oxford desires to assert its home rule authority to control the administration and collection of the municipal income tax, in order to provide for the health, safety and welfare of the municipality.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF OXFORD, BUTLER COUNTY, STATE OF OHIO, THAT:

Section I: The City Manager is authorized to join a coalition of municipalities being formed for the purpose of initiating litigation to challenge the constitutionality of amendments to Chapter 718 of the Ohio Revised Code contained in H.B. 5 and H.B. 49, and retain the law firm of Frost Brown Todd LLC as special counsel for the coalition of municipalities.

REVISED CODE RELATING TO MUNICIPAL INCOME TAX

The Ohio Association of Public Treasurers (OAPT) is dedicated to serving and educating public finance officers throughout Ohio. Although we are fundamentally an educational organization, the OAPT voted at its Annual Business Meeting on October 5, 2017, to formally express its resolute opposition to recent measures taken by the Ohio General Assembly which result in the further loss of revenue for Ohio cities, which infringe upon municipal home rule, and which diminish their ability to adequately fund their safety forces and other vital local services.

To that end, the Ohio Association of Public Treasurers would like to go on record with your Community, in support of Ohio's municipal coalition which is challenging the constitutionality of recent amendments to Chapter 718, through litigation being prepared by attorneys at Frost, Brown, Todd, LLC.

Further, the Ohio Association of Public Treasurers urges your Community to join the more than 115 cities and villages which have signed on, to date. Please find on our website: <http://www.ohioapt.org/new-current-articles/> a letter to interested coalition members from Frost, Brown, Todd, LLC, a Frost, Brown, Todd memorandum outlining the potential constitutional challenges, a model Ordinance in case you wish to join, and the potential cost sharing proposal.

Re: Municipal Coalition to Challenge Centralized Collection and Other Provisions of
Ohio Revised Code Chapter 718 Regarding Municipal Income Tax

Dear Mayors, Councilmembers,
and Other Municipal Representatives:

Once again, municipalities in Ohio are faced with an impending deadline to make state-mandated changes to their municipal income tax code. H.B. 49 (the biennial budget bill) contained numerous additional provisions relating to centralized collection of municipal net profits taxes by the Ohio Department of Taxation. According to the bill, if a municipality does not adopt these new provisions by January 2018, that city or village risks losing its authority to collect any income taxes at all.

While municipalities adopted new income tax ordinances in 2015 rather than file litigation to challenge the General Assembly's authority to dictate a uniform municipal income tax code, most if not all ordinances were careful to reserve the right to argue in the future that home rule prohibits the state preempting local income tax ordinances or threatening to invalidate our income tax authority. Given the latest foray by the legislature into our taxing authority, a number of municipalities have decided that we have no option but to challenge the constitutionality of the recent amendments to Chapter 718.

I am enclosing a memorandum regarding Potential Constitutional Challenges to House Bill 49 for your information and consideration. I am also enclosing a draft ordinance in the event that your municipality desires to join the effort, together with a potential cost sharing proposal. Please do not hesitate to contact me if you have any questions or if I can provide you with any additional information.

Sincerely,

SCHEDULE OF COST SHARING FOR HB49 LITIGATION

Recent litigation by a coalition of municipalities with regard to small cells and public right of way (HB 331) has provided a potential cost sharing template for use by municipalities interested in challenging the recent municipal income tax code amendments. This template is based on population of cities and villages, and is set forth in the table below.

Population		Contribution
Village	Under 5,000	\$1,000
5,000	10,000	\$2,000
10,000	25,000	\$4,000
25,000	50,000	\$6,000
50,000	75,000	\$8,000
Over 75,000		\$10,000

*Please note that a municipality can choose to either (1) make a contribution without joining the litigation as a named plaintiff, or (2) become a party to the action. To become a party, it will be necessary for FBT to send the municipality an engagement letter and run a conflict check. Certainly, this process is not unduly burdensome and could be completed within the timeframe necessary to include such municipality on the pleadings. For those municipalities desiring to simply make a contribution to the coalition, we will be establishing a municipality to be the holder of deposited funds.

If the litigation successfully concludes with funds still remaining, refunds of the retainer amounts will be made on a pro rata basis.

Thank you for your consideration and please do not hesitate to contact me with any questions.

Re: Potential Constitutional Challenges to House Bill 49

I. Background

House Bill 49 alters the net profit tax by facilitating the centralized filing and administration of the net profit portion of the municipal income tax paid from a business or profession conducted both within and without the boundaries of a municipal corporation. Taxpayers, other than individuals, may now “opt in” and file their net profit municipal income tax returns solely through the State of Ohio Department of Taxation under R.C. 718.80(A).

House Bill 49 also eliminated the “nexus to nowhere” sales provision which established a taxable situs in a municipal corporation if the “property [wa]s shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.”

Several Ohio municipalities are considering the formation of a coalition to file a mandamus action in the Ohio Supreme Court, or an injunctive and/or declaratory judgment action in a Court of Common Pleas, against the municipal income tax provisions as set forth in HB 49, as well as the original legislation comprehensively rewriting the municipal income tax statute, HB 5 (enacted in 2014).

II. Potential Challenges

A. Violation of the Home Rule Amendment

- Municipal power over matters of local self-government is derived from the Constitution. *Gesler v. Worthington Income Tax Bd. of Appeals*, 138 Ohio St.3d 76, 2013-Ohio-4986, ¶17. The Home Rule Amendment to the Ohio Constitution, Article XVII, Section 3 provides that “Municipalities shall have authority to exercise all powers of local self-government * * *.”

- With regard to taxing power, “[i]t is well established that ‘[t]he municipal taxing power is one of the “powers of local self-government” expressly delegated by the people of the state to the people of municipalities,” *Id.* at ¶18, citing *Cincinnati Bell Tel. Co. v. Cincinnati*, 81 Ohio St.3d 599, 605, 693 N.E.2d 212 (1998), and as such is not tested by the well-known home rule “conflict analysis” that is applicable when a municipality exercises its police power.
- Rather, any General Assembly restrictions on local income tax authority must be based on the specific constitutional authority granted the state in two other sections of the Ohio Constitution: Article XIII, Section 6 provides that the General Assembly “shall provide for the organization of cities, and incorporated villages, by general laws, and restrict their power of taxation * * so as to prevent the abuse of such power.” Second, under Article XVIII, Section 13, “[l]aws may be passed to limit the power of municipalities to levy taxes and incur debts for local purposes * * *.” *Panther II Transp., Inc. v. Seville Bd. of Income Tax Rev.*, 138 Ohio St.3d 495, 497, 2014-Ohio-1011, ¶ 11 (2014).
- The Ohio Supreme Court has consistently held that “[t]he taxing authority of a municipality may be preempted or otherwise prohibited . . . by an express act of the General Assembly.” *Cincinnati Bell*, 81 Ohio St.3d at 605 (syllabus). The Ohio Supreme Court has interpreted the requirement of “an express act of restriction” to mean only that the state “does not preempt local taxes merely by enacting a similar tax of its own.” *Panther II Transp., Inc.*, 138 Ohio St.3d at 500. “[M]unicipal governments have a plenary power to tax, but the General Assembly has authority to impose specific limits on that power.” *Panther II*, 138 Ohio St.3d at ¶ 11 (citing *Cincinnati Bell* at 602; *Gesler*, 138 Ohio St.3d 76 at ¶ 17, 21).
- Telling statement in uncodified Section 6 of HB 5: “*In order to ensure a fair, stable, and efficient system of local taxation, and to prevent any abuse of power by municipal corporations, the General Assembly hereby exercises its authority under those Articles to restrict the taxing powers of municipal corporations by requiring that any income tax or withholding tax levied by a municipal corporation must be levied in accordance with this act and any provisions of Chapter 718. of the Revised Code that remain unchanged by this act.*”
- What if the General Assembly itself chose not to impose a tax (as with income taxation of corporate entities) and therefore did not justify its preemption on a concern about “double taxation” by municipalities? What if the General Assembly attempted instead to simply legislate a rigid template for the exercise by a municipality of its powers of local self-government?

- General Assembly reached beyond its authority to limit or restrict the municipal taxing authority by dictating a code to the municipalities and by authorizing centralized collection of corporate net profits tax.

B. Other Potential Challenges

- Single Subject Rule - Section 15(D), Article II of the Ohio Constitution provides: “No bill shall contain more than one subject, which shall be clearly expressed in its title.” Dublin v. State involved a challenge to a rider in the biennial appropriation bill relating to municipal control over public utility use of the right of way. The Court in Dublin stated: “[T]he very fact that such a budgetary need justifies inclusion of many diverse appropriations in an appropriations bill increases the need to exercise caution to avoid violating the single-subject rule by adding still more diverse items to the bill that are not so necessarily connected to creating a budget. With so many diverse items already included in the bill, it becomes increasingly incredible that non-appropriation items can be added to the bill without violating the single-subject rule.”
- Equal Protection/Uniform Application of Tax - *Youngstown Sheet & Tube Co. v. City of Youngstown*, 91 Ohio App. 431, 108 N.E.2d 571 (Mahoning County 1951), found that the Youngstown income tax was “a denial of equal protection because the tax was imposed on individuals at one rate and on corporations at a substantially higher rate.” Under HB 49, taxpayers may now “opt out” complying with the net profits provisions of Chapter 718 administered by the municipal corporation and “opt in” to new Sections 718.80 through 718.95 whereby the state tax commissioner is the sole administrator of each municipal income tax for which the taxpayer is liable. Applying different tax codes to similarly situated taxpayers in a municipality could be challenged, on its face, as violating equal protection.
- Lack of statutory authority – Oddly, the state has no authority to administer the new centralized collection of net profits tax unless it is granted such authority by each and every municipality. Uncodified Section 803.100(B) of HB 49 provides: “In accordance with division (A) of section 718.04 of the Revised Code, each municipal corporation shall adopt, by ordinance or resolution, the provisions of sections 718.80 [through] 718.95 of the Revised Code on or before January 31, 2018. Such resolution or ordinance shall specify that the enactment of those provisions applies to taxable years beginning on or after January 1, 2018.” The State admits that it has no authority, but forces each municipality to grant it the authority or risk losing its authority to collect income taxes at all. These new provisions are not self-executing.

III. Writ of Mandamus

Certainly, with respect to statutes of great public interest and widespread impact, there is precedent for an action to be filed directly with the Ohio Supreme Court to determine what are largely questions of law. In *State ex rel. Ohio Academy of Trial Lawyers v. Sheward*, 86 Ohio St.3d 451, 1999-Ohio-123 (1999), the Supreme Court considered the constitutionality of the Tort Reform Act. The Supreme Court stated, **“This court has previously held that a mandamus action may test the constitutionality of a statute....Moreover, where this court has found a statute unconstitutional it may direct the public bodies or officials to follow a constitutional course in completing their duties.”** This is especially true where a declaratory judgment action or mandatory injunction in a Court of Common Pleas would not be **“complete in its nature, beneficial and speedy.”**

Given that H.B. 49 imposes deadlines on municipalities to adopt changes as described above within an unreasonable timeline, it is arguable that no remedy other than a writ of mandamus from the Ohio Supreme Court will be effective to provide municipalities relief from an unconstitutional statute. Pending further research, we would recommend filing a mandamus action directly with the Ohio Supreme Court.

Agenda Title: Expansion of the Defined Mile Square "Plus" Area

Recommendation: Approve

Discussion:

Oxford's Codified Ordinance Chapter 931.02(c) defines the Mile Square "Plus" area, including ancillary streets. Managers of rental properties and neighboring owner occupants on Cedar Drive and Silvoor Lane have approached City staff requesting that the rental properties be made eligible for the additional Move-In and Move-Out refuse collection services.

With the inclusion of Cedar Drive and Silvoor Lane into the Mile Square "Plus" area, the rental properties on these streets (currently five 4-tenant properties out of a total of 22 properties) would be eligible for the additional refuse collection services associated with Miami University's move-in and move-out time periods at the beginning and end of their academic, two semester year. If included in the defined Mile Square "Plus" area, the rental properties on these streets would be subject to the monthly move in/out solid waste removal fee to cover the expense of this refuse additional service.

Residential refuse accounts within the Mile Square "Plus" are required to utilize wheeled lid-attached totes for their refuse placed curbside, with the exception of owner occupied properties.

It is the recommendation of staff that Council authorize the revision of Chapter 931.02(c) to include Cedar Drive and Silvoor Lane as ancillary streets included in the Mile Square "Plus" area.

Applicant:	City of Oxford
Action Request:	ZONING MAP AMENDMENT to establish a Neighborhood Conservation Overlay District in an R-1A (Single-Family Low Density Residential) District, in the Neighborhood of East Chestnut Street and Silvoor Lane. City of Oxford, Applicant

DESCRIPTION

The proposed map amendment is to establish a Neighborhood Conservation Overlay District in an R-1A (Single-Family Low Density Residential) District in the neighborhood of Silvoor Lane and part of E. Chestnut Street.

A petition to establish a neighborhood conservation overlay district was filed on July 14, 2017 to the Clerk of City Council. A resolution was adopted by the City Council accepting the petition and forwarded this request to the Planning Commission on August 21, 2017.

ZONING CODE

The Oxford Zoning Ordinance Chapter 1146 governs the establishment of the Neighborhood Conservation Overlay District.

COMPREHENSIVE PLAN

In the Overview Section of Chapter 7, Housing, in the Comprehensive Plan, residents echoed the same sentiments that Oxford has a unique housing market involving a large rental population that limits opportunities for family housing options and changes the community character, specifically within the Mile Square. The public input sessions also pointed out the lack of housing opportunities for families and the hope to encourage owner-occupied housing and promote the return of full-time residents to the area. Even the Comprehensive Plan does not implicitly point to the establishment of an overlay district to encourage owner-occupied neighborhoods, but several objectives and strategies are relevant to this idea of maintaining traditional neighborhoods and owner-occupied residential dwellings.

Objective Expand Housing options

- H2.1 Update development regulations to allow for a variety of housing types in new developments.*
- H2.4 Provide financial assistance to increase homeownership opportunities for low and moderate income residents.*

Objective: Expand homeownership opportunities

- H5.1 Encourage local employers to provide homeownership incentives.*
- H5.2 Encourage rehabilitation of owner-occupied structures within the Mile Square.*
- H5.3 Create an urban homeownership incentive program such as homeownership grants to help offset the cost of housing.*
- H5.4 Develop a revolving loan fund.*
- H5.5 Establish an Oxford Homeownership Office in partnership with Miami University.*
- H5.6 Support the University loan program to increase homeownership opportunities within the Mile Square.*

DECISION CRITERIA

A copy of the Decision Criteria for Overlay District is attached.

ANALYSIS

The idea of the neighborhood conservation overlay district was to preserve neighborhoods from being turned into rental properties and to maintain the traditional neighborhood owner-occupied character. The Planning Commission went through extensive discussion about this overlay district in 2012. It was designed to provide mechanisms to the neighborhoods to initiate a grass roots movement to get all the neighbors together and to petition City Council for the consideration of placing more restrictions on the underlying district.

The overlay district is not uncommon in the land use arena to put in place a specific set of regulations that are more stringent than the underlying district in order to accomplish specific objectives. The most commonly used overlay district is for the historic area. Others are used for specific design standards to promote some uniformity in certain specific subset areas.

Many neighborhoods have gone through this process since the adoption of this enabling legislation in 2013. As of today, there have been 14 different neighborhoods throughout the City that have obtained the overlay district designation. These neighborhoods are typically located outside of the Mile Square.

A petition was filed by a group of neighbors on East Chestnut Street and Silvoor Lane for a total of 21 parcels of tracts of land, to be considered a Neighborhood Conservation Overlay District on July 14, 2017 with the Clerk of the Oxford City Council. The petition showed that the signatures obtained represented 15 parcels. The signatures supporting this petition exceed the two-third requirements of the parcels of this petitioned area. The signatures represent 71% of the parcels within the boundary. A map of the proposed district is attached illustrating the area for consideration.

Based on the Neighborhood Conversation Overlay District requirements, the City Council accepted the petition on August 15, 2017 and forwarded this petition to the Planning Commission for Zoning Map Amendment consideration.

There are specific decision standards that the Planning Commission shall reference and the decision standards are also attached for reference. The Planning Commission also shall consider the purpose and objectives of such overlay district are to achieve the privacy of residents and to minimum noise, congestion and nuisance impact by excessive renters and to maintain an attractive community appearance and provide a desirable living environment and finally to prevent excessive traffic and parking problems in the neighborhood.

The petition met the boundary requirements as stipulated in the Chapter 1146.03(h). The petition also met the minimum two-thirds requirements of owner signatures within the proposed boundary. Additionally, the dates of those signatures were also within six months prior to the time the petition was filed with the City Clerk.

Please note that this process is a neighborhood driven process beginning with a petition to the City Council and followed with a public hearing before the Planning Commission for a Map Amendment recommendation. The City Council may waive certain requirements after a positive recommendation from the Planning Commission. This process is far lengthier than normal map amendment process and

has additional decision standard thresholds to meet. It is a process that the neighborhood had taken seriously and the neighbors have demonstrated their commitment to preserve their neighborhood and to maintain their neighborhood characters by going through an extra step to initiate.

RECOMMENDATION

Staff recommends that the Planning Commission approval of this amendment and forward this request to City Council for legislative action.

The Planning Commission shall base its recommendation on a proposed Zoning Code amendment upon the complete application, upon any staff report, and upon any relevant and credible public comment presented during the public hearing. Council shall base its decision on the same materials and shall also consider the Planning Commission recommendation.

If the Planning Commission or Council finds that the information provided is insufficient to make a determination, it may suspend its review until sufficient information has been provided.

- (1) Decision standards. A proposed amendment shall be approved only if it meets at least one of the following criteria, and if its benefits will likely outweigh any potential pitfalls.

Map Amendments

- A. There is an error on the Official Zoning Map or in the delineations between districts thereon.
- B. The proposed amendment will make the map conform more closely to the Comprehensive Plan.

COMMENT: I strongly support establishing a Neighborhood Conservation Overlay on Silvoor Lane. Having lived here since 1983, I have knowledge of what the family owned neighborhood was like, now it is not the same. To be frank, the rentals have been not well maintained - While I wouldn't go so far as to say they are a scourge, I must say they do not enhance the desirability of Silvoor Lane. Homeowners take pride in their home; landlords don't to the same extent.

I urge the support of this petition!

MAYOR

ADOPTED: August 15, 2017

ATTEST:

CLERK OF OXFORD CITY COUNCIL

INTRODUCED BY: KATE ROUSMANIERE

PREPARED BY: LAW (STAFF)

TO: SILVOOR LANE/EAST CHESTNUT ST. PROPERTY OWNERS
RE: PETITION FOR RESIDENTIAL CONSERVATION OVERLAY
DATE: LATE APRIL, 2017

PROPOSED: That Silvoor Lane/East Chestnut St. homeowners apply for a change of zoning to apply a neighborhood conservation overlay district. **This proposed zoning limits the number of persons in a rental residence to no more than two unrelated individuals.** If the zoning is approved, homeowners may rent property but **are limited to two unrelated persons who may live in the house.** This would still allow ownership or rental of the property to a large family, a couple, one person, or two unrelated persons.

The purpose of the Conservation Neighborhood Overlay Zoning:

The purposes outlines in the ordinance are:

1. To maintain an attractive community appearance and provide a desirable living environment for residents by preserving the owner-occupies character of the neighborhood.
2. To preserve the integrity of the Silvoor Biological Sanctuary, which is comprised entirely of properties in this proposed overlay and Miami University properties bordering this proposed overlay.
3. To protect the privacy of residents and to minimize noise congestion and nuisance impacts by regulating the types of rental properties occupied by unrelated persons.
4. To prevent excessive traffic and parking in the neighborhoods.
5. To ensure the safety of children living on the street (currently, there are 12 children living in the proposed overlay properties).

Current zoning in the proposed overlay zone (21 lots): The current zoning is as a "Single family residence" defined as no more than FOUR unrelated people may live in the dwelling. Three of these 21 lots are currently permitted as a rental property which allows four unrelated people to live in the dwelling. These properties will not be impacted by this petition unless the rental permit expires.

Process for a neighborhood to achieve expansion of the overlay zoning:

1. In order for the expansion of the current overlay district, we must have **2/3 of the property owners sign a petition within 60 days** (14 of 21 lots).
2. The petition is sent to Oxford City Council that refers it to the Planning Commission for its recommendation.
3. If the recommendation is approved it is returned to the City Council for second reading and approval. The process takes about three months.

Rhett and Amanda Brymer and/or Chris and Teresa Sutter, who own properties in the proposed overlay, will be contacting you soon with the opportunity to sign the petition. The signer of the petition must be the homeowner (if jointly owned, only one needs to sign). You may contact any of the overlay petitioners for further information.

PC-2017-26 ZONING MAP AMENDMENT, to amend the zoning designation of certain properties between Poplar Street and Campus Ave, from a Single and Two-Family Mile Square Residential (R-2MS) to a Single, Two- and Three-Family Mile Square Residential (R-3MS) District, City of Oxford, Applicant,

Recommendation by the Planning Commission: Approval

Discussion:

This is a map amendment that reflects the Planning Commission's discussion and desire to change the zoning designation on certain areas to better represent actuality, and to plan to encourage increased density since these areas are either located adjacent to campus or near a major corridor to campus.

This area is situated between S. Poplar Street and S. Campus Avenue and along Rose Avenue to the south and directly south of the apartment complex, facing Spring Street.

This is the outcome from the request of the Planning Commission to further expand higher density near the campus to encourage redevelopment in the future.

The Planning Commission recommended the approval of the proposed zoning map amendment in a vote of 5-1-0 to City Council for legislative action.

APPLICATION

Applicant:	City of Oxford
Action Request:	ZONING MAP AMENDMENT to Amend the zoning designation of certain properties between S. Poplar Street and S. Campus Avenue, along Bern Street and E. Rose Ave, from R-2MS District to R-3MS District, City of Oxford, Applicant

DESCRIPTION

This is a map amendment that reflects Planning Commission's earlier discussion for the area highlighted in the attached map. The Planning Commission felt that this area deserved discussion whether a zoning re-classification would be warranted.

The Planning Commission in general was in agreement that a higher density should be contemplated and encouraged in the area closer to campus.

ZONING CODE

The attached map amendment illustrates changes to the area from R-2MS (Single- and Two-Family Mile-Square Residential) District to R-3MS (Single-, Two- and Three-Family Mile Square Residential) District.

COMPREHENSIVE PLAN

Land Use Element:

The community's small college town character will be preserved and enhanced.

- New development and redevelopment will be sensitive to pedestrians in terms of scale and walkability.
- New architecture will add to the character of the community as opposed to corporate, franchise architecture.

Infill development and redevelopment of underutilized sites is a priority

- Reuse of vacant and underutilized sites will be encouraged prior to new development.

Table 3.4 Concept Area Matrix and Table 3.5 Character Area Matrix also provided the overall theme of the Use Element of the Comp Plan. Additionally, Map 3.6 and 3.7 also show the neighborhood enhancement area as well as neighborhood character.

Urban Design

- Preserve and enhance historic resources in the Mile Square including Uptown District

Housing Element

Improve housing conditions in the Mile Square

- Ensure quality residential environment through improved housing standards.

DECISION CRITERIA

A copy of the Zoning Text Amendment Decision Criteria is attached.

ANALYSIS

This is a continuation discussion from a recent zoning map and text amendment the Planning Commission reviewed and made recommendations to City Council for consideration. The previous recommendations focused on the general area of Spring Street, Main Street and Campus Avenue, in between the RO District to the north and the R-1MS District to the south (See PC-2017-10). This amendment is to extend the R-3MS District all the way to just north of Central Avenue, between South Polar Street and South Campus Avenue.

During the previous work sessions and meetings, the Planning Commission was not in total agreement with "large scale" rezoning with the thought to let those changes take place to gauge how the development community responds to changes of zoning regulations and make more changes as the Planning Commission sees the need.

This area is wedged between the areas identified by the Planning Commission for re-classification. The Commission is in agreement that in anticipation of higher student enrollment, it needs to review the zoning regulations to encourage student rentals to be closer to campus.

It should be noted that the 2008 Comp Plan did not include these areas for enhancement or expansion on Map 3.4 and Map 3.5. But it also needs pointed out that the student enrollment was capped for many years, until the cap was removed and the number for enrollment increased from 17,000 to nearly 20,000. For a town like Oxford, an increase of 2,000 additional students does have significant impact to local housing.

The area is close to the academic central quad and, again, is within walking distance to the north academic quad. It is also close to the Goggin Ice Center and the Rec Center and to the Uptown.

The Planning Commission did discuss this area for possible reclassification, and the thought process at that time was that any changes to the zoning classification would not impact the actual redevelopment potential, since the new duplexes were built in 2012 and the apartment complex is still considered to be nonconforming even though the site is rezoned from the R-2MS District to the R-3MS District.

RECOMMENDATION

Staff does not have any objection to the map amendment, but would ask the Planning Commission to look at the potential impact of this extensive reclassification of a large area.

Action Request:	ZONING CODE TEXT AMENDMENT to Amend Oxford Zoning Code Chapter 1159, Definitions, specifically 1159.13(15) Lot Line and Eliminating 1159.20(8) Sorority and Fraternity, City of Oxford, Applicant

DESCRIPTION

This application is to address two specific sections of the Oxford Zoning Code Chapter 1159 Definitions to clarify the intent and to eliminate conflicting definitions. These inconsistencies were brought to staff's attention recently by Law Director, as well as the general public.

DECISION CRITERIA

A copy of the Text Amendment Decision Criteria is attached.

ANALYSIS

This application is to clean up the inconsistency in the Zoning Code, particularly to definitions of Fraternity/Sorority and Lot Line-Front. These are two particular sections that Staff felt needed to be addressed to clarify the intent of the zoning code. One deals with the front lot line, the second deals with fraternity and sorority definition. The definition of the front lot line is not consistent with the intent and other sections of the Zoning Code. Therefore, it is important to clean it up.

Currently, there are two definitions related to fraternity/sorority. The definition of fraternity/sorority is different than the definition of sorority/fraternity. It was an oversight of staff for not updating both definitions in 2012 when the changes took place on one part of the definition, but not the other part. Therefore, it is also in need to be consistent. The recommended approach is to eliminate section 1159.20(8).

RECOMMENDATION

Staff recommends that the Planning Commission concur with the changes and forward to City Council for legislation.

These employees in addition to Assistant Finance Director, Deputy Service Director, Streets and Maintenance Manager, Wastewater Collection Manager, Water Distribution Manager, Water Plant Manager and Wastewater Plant Manager for the purposes of group life and accidental death and dismemberment, are considered supervisory employees.

B. Overtime. Department heads are salaried employees and are not entitled to overtime.

- C. Vacation.** Department heads shall accrue vacation leave monthly at the following rates (except a first year department head who shall receive vacation accrual after the completion of the twelfth month):

After 12 months (1 year) - 120 hours
After 84 months (7 years) - 160 hours
After 156 months(13 years) - 200 hours

The City Manager is authorized to grant up to 80 hours of vacation leave during the first year of employment of a department head on the basis of extenuating circumstances.

The City Manager's vacation benefit shall be in accordance with the City Manager's contract.

- D. Other Benefits and Provisions.** Except as superseded by the provisions of this section, department heads and supervisory employees shall be entitled to all other benefits and provisions of this ordinance applicable to full-time employees of the City of Oxford.
- E. Sick Leave.** The Police Chief shall receive a bonus of \$310 per calendar quarter if he uses no sick leave during that quarter. If the Police Chief uses no sick leave for the calendar year, he shall receive an additional \$360. The bonus payment shall be issued at the end of each calendar quarter.

SECTION 6: General Provisions

- A. Pay Periods.** Employees shall be paid bi-weekly. Pay days shall be on Friday, except when City offices are closed for a holiday on Friday, in which case payday shall be the last workday preceding the holiday.
- B. Hours of Work.** Full-time, non-salaried employees' work week shall be forty hours. When directed by their supervisor to work overtime, such employees shall be compensated at the rate of one and one-half (1-1/2) times their base rate of pay for all hours actually worked in excess of forty hours per week. An employee who is called to work following the completion of their normal work day and one-half (1/2) or more hours prior to the commencement of their next normal work day shall receive a minimum of two (2) hours compensation for such call-in at one and one-half (1-1/2) times their normal rate.

C. Emergency Appointments. In case of civil unrest or other like emergency, the City Manager may appoint emergency police officers or other volunteer citizens as may be necessary for temporary service during the emergency and shall report this action to the City Council at its next meeting. Such emergency appointees shall be compensated for all time actually worked on behalf of the City.

D. Firefighters (excluding full-time Fire Captains and Firefighter/Paramedics. See Appendix B). Firefighters are paid according to the schedule in Section 3 hereof of part-time employees. A firefighter may receive a supplement equal to one-half their ordinary job wage if their employer does not continue pay while they are away from work attending to a fire.

No Paid-on-Call or Part-time firefighter may work in excess of fifteen hundred (1500) hours in any given Calendar year or in excess of one hundred-six (106) hours in any pay period.

Any hours worked in the employee's hired capacity or similar function to their hired capacity shall be calculated as total hours worked for that pay period and year. Performing other department sanctioned duties other than those for which the employee was hired shall not be included in total hours.

E. Shift Differential Pay. The applicable rate of shift differential for the entire shift worked will be determined by the applicable rate for the majority of the hours in an assigned shift. If an assigned shift is evenly divided between two rates, the higher rate shall be applicable to all hours of the shift worked. A full-time employee who is assigned by their supervisor to work a shift after 4:00 p.m. and before 8:00 a.m. shall receive shift differential pay for all hours worked. The differential shall be twenty-five cents (\$0.25) per hour for all hours of a shift actually worked after 4:00 p.m. and before 12:00 midnight. The differential shall be forty-five cents (\$0.45) per hour for all hours of a shift actually worked after 12:00 midnight and before 8:00 a.m. Shift differential will be paid at its normal rate for scheduled hours worked on a holiday in addition to holiday pay. Overtime may be incurred for the work week (over 40 hours) attributable to working during a shift differential period (defined above). For purposes of calculating overtime pay, the base pay rate shall include the hourly shift differential amount. The shift differential rate used for overtime calculation will be the same rate used for shift differential as determined per the guidelines above.

SECTION 7: Employee Benefits

- A. **Uniforms.** The Police Chief shall receive credit in the same manner as the Detective Sergeant as specified in the Police Sergeants and Lieutenants contract.

The City shall provide full-time employees in the Service Department and the Parks & Recreation Department, who wear a uniform in the performance of their duties, with a uniform rental service.

- B. **Sick leave.** Sick leave shall be earned by all full-time employees at the rate of ten (10) hours per month and may be accumulated without maximum. Previously accumulated sick leave may be transferred as allowed by law. Under extraordinary circumstances, the City Manager may approve the transfer of sick leave credits from one City employee to another.

- C. **Sick Leave Incentive.** A full-time, non-contract employee shall receive an incentive of two hundred dollars (\$200.00) per calendar quarter if the employee uses no sick leave during that quarter. Use of any hours, including partial hours, of sick leave will result in the employee receiving no payment for that quarter. Any employee who uses no sick leave for a calendar year shall receive an additional two hundred dollar (\$200.00) incentive. The employee shall receive all such incentive payments at the end of each calendar quarter. Any payment shall reflect applicable federal, state, and local withholdings. Sick leave used for Worker's Compensation leave as defined in the Employee Handbook shall not be considered sick leave used for purposes of this paragraph.

As a part of the sick leave incentive, as of December 31, 2007, those employees having a sick leave balance will have those hours banked. Future accruals will not be added to the hours banked, however, all banked hours and any accruals will continue to show on the individuals pay stub to be used should the hours be needed for illness. The banked hours will be held until retirement, death or lay-off, at which time not more than 1200 banked hours may be converted to vacation time at the ratio of one-to-one for the first three hundred hours and three-to-one for the remaining nine hundred hours.

- D. **Sick leave conversion.** Prior to retirement, an employee with a banked sick leave balance of 280 hours up to a maximum of 1200 hours may convert the balance to vacation or pay at a rate of 5:1. However, there must be 240 hours remaining, and such conversion may only be made by written application to the Finance Department during the month of April, and pay, when requested, will be made on or before May 20th. Should an employee on lay-off (who has converted sick leave to vacation) return to City employment, they may within one year of reinstatement repurchase their accumulated sick leave by repaying at the same rate as the pay-off. Such repayment may be in cash, by payroll deduction or use of newly accumulated vacation time.

- E. **Payment of Health Insurance Premiums.** For each full-time employee and Law Director who participates in the City group medical insurance programs, the City will make a per month per employee contribution as determined by the budget during the effective period of this Ordinance for health/medical insurance, major medical, prescription insurance, dental insurance and vision care insurance. The Employee will pay a contribution for single coverage or for family coverage, each pay period, with deductions being made from gross pay before taxes resulting in the cost being reduced.

- F. Holiday Schedule.** There shall be fourteen (14) paid holidays for full-time employees as follows: (10 holidays/~~4~~5 personal days)

New Year's Day (January 1)
Martin Luther King, Jr. Day (third Monday in January)
Washington/Lincoln Day (third Monday in February)
Memorial Day (last Monday in May)
Independence Day (July 4)
Labor Day (first Monday in September)

New employees hired during the year shall have their Personal Hours pro-rated based on initial hire date. With the exception of employees who work a continuous schedule, holidays falling on a Saturday shall be observed on the preceding Friday and holidays falling on a Sunday shall be observed on the following Monday.

- G. Pay for Work on Certain Holidays.** Any full-time employee, department heads excluded, who is required by the employee's supervisor to work on a designated holiday as a part of the employee's regularly scheduled duty and within the employee's normal hours of work shall receive pay in an amount equal to one and one-half (1-1/2) times the employee's base hourly rate of pay for all hours actually worked by the employee between the hours of 12:01 a.m. and 12:00 midnight, inclusive, on the designated holiday. When such an employee works on a holiday, the employee shall be entitled to an additional day off in lieu of the holiday.

Employees called to work on a designated holiday (to perform a special project or emergency repair) may receive pay in the amount equal to one and one-half (1-1/2) times the employee's base hourly rate of pay for all hours actually worked on the holiday in addition to the eight hours straight time pay for the holiday at the discretion of the City Manager. (Employees working less than eight (8) hours on a holiday have two options: 1) the employee can claim the eight (8) hour holiday and overtime for the actual number of hours worked; or 2) the employee can claim overtime for the number of hours worked, and use personal, vacation or comp time to make up the remaining hours and receive the holiday off at another time.)

When a calendar holiday falls on either weekend day(s) (including Christmas Eve and Christmas), the following rules apply:

- a) If an employee works the designated holiday, the employee is entitled to:
 - 1) One and one-half (1-1/2) times their base hourly rate for the hours worked, and
 - 2) a paid day to be taken at another time.
- b) If an employee works a true calendar holiday(s) that falls on Saturday or Sunday, the employee is entitled to pay at one and one-half (1-1/2) times the base hourly rate for the hours worked.

H. Group Life and Accidental Death and Dismemberment Insurance.

The City will pay 100% of the premium for these fringe benefits for coverage in an amount equal to the employee's annual base salary, except that the amount of the insurance coverage provided will be subject to a reduction schedule included in the group policy. Such reductions generally begin at age 65 and are subject to ADEA regulations. These fringe benefits apply only to full-time employees working at least forty (40) hours per week and the Law Director. The City will pay 100% of the premium group life insurance coverage on the Police Chief in an amount equal to one and one-half(1-1/2)times the Police Chief's annual salary.

For each firefighter, the City will pay 100% of the premium for a Firefighter's Accident Policy, not to exceed \$10,000 in insurance coverage.

I. Longevity Bonus Pay. Longevity Bonus Pay will only be paid to eligible employees who accrue the required years of service on or before December 31, 2018⁷and are full-time employees of the City on or before December 31, 2018⁷. To be eligible for Longevity Bonus Pay an employee must meet both requirements.

Part-time employees who become full-time employees may use hours worked as a part-time employee towards years of credit. Credit will not be given for partial years of service.

Full-time employees who leave the City's employment and are eligible to receive longevity pay based on the anniversary date in 2018⁷ shall be given the appropriate longevity payment with final pay.
