RE: Transit Plan for Butler County Regional Transit

This month's regular Planning Commission meeting offers a rare opportunity to join with Oxford Parking and Transportation Board as well as our regional transit authority. At the request of the director of Butler County Regional Transit, Matt Dutkevicz, the City of Oxford is delighted to host a presentation on the Transit Plan.

This is an opportunity for BCRTA to publicly discuss the status of the Transit Plan process, as well as collect any comments from board members of either board. Attached is a two-page overview of the intent and schedule for the first-ever transit plan in Butler County. Additional slides will be shared at the meeting. I encourage members of both boards to review the www.bcratatransitplan.com website and provide input.

RE: **World Town Planning Day**

Attached is a scan of the recent World Town Planning Day Proclamation that was read at the November 1 City Council meeting and accepted by Chair Corey Watt. This is an international event that we have celebrated in various ways. In previous years it has been celebrated by having a focus-area planning event, called a Design Charrette. This year, the day lands on the regular Planning Commission meeting day.

Office of the Mayor

Proclamation

Whereas:

change and growth is constant and affects all countries, states, regions, cities, and towns, including Oxford; and

WHEREAS, World Town Planning Day is celebrated in 30 countries on four continents every November 8; and

WHEREAS, the community planning process provides an opportunity for all residents to be meaningfully involved in making choices for a safe, healthy and equitable future Oxford; and

WHEREAS, the full benefits of planning requires public officials and citizens who understand, support, and demand excellence in plan creation and plan implementation; and

WHEREAS, Oxford will celebrate in November by presenting the Oxford Tomorrow Comprehensive Plan, with an open house to be held at 6:00 p.m. on November 16, 2022 at the Talawanda Middle School; and

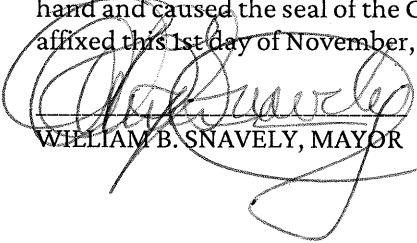

WHEREAS, we encourage citizens to take part by providing input and engaging in the process leading up to a formal adoption of the plan by City Council; and

NOW, THEREFORE, I, William B. Snavely, Mayor of the City of Oxford, Ohio, do hereby proclaim Tuesday, November 8, 2022 as:

“WORLD TOWN PLANNING DAY”

in the City of Oxford and urge all citizens to support this most worthwhile effort to raise awareness about the importance of community planning.
