C. Public Comments

The purpose of the public comments section is for members of the public to speak to the City Council on any subject not scheduled on the Agenda, except consent agenda items. To speak, you may approach the podium and wait to be addressed by the Mayor. You will need to state your name and address for the public record. Presentations are not to be in the form of public debate, personal attacks on Council, City staff, or other members of the public, and Council shall not act except to direct the City Manager to take action or schedule the matter for discussion at a later date.

Public Comment - Ms. Linda Musmeci-Kimball, 724 Melinda Drive - Ms. Musmeci-Kimball addressed Council regarding the City's contract with Flock Safety and the use of automated license plate reader (ALPR) cameras. She emphasized that her concerns were directed at the Flock Safety corporation and its technology rather than the Oxford Police Department's intended use of the cameras. She cited concerns regarding privacy, data collection and sharing, artificial intelligence, transparency, and oversight, and referenced reports of contract terminations, lawsuits, and alleged misrepresentations by the company. Ms. Musmeci-Kimball questioned the company's data-sharing practices and urged Council to consider the broader implications for privacy and civil liberties, encouraging the City to terminate its contract with Flock Safety.

Public Comment - Ms. Janice Dutton, 302 West Vine Street - Ms Dutton first requested that future replacement parking meters be installed at a more accessible height. She then spoke regarding Flock Safety and police surveillance technology, recommending that Council view a recent *Last Week Tonight with John Oliver* segment addressing surveillance technologies. She shared examples discussed in the program involving the company's marketing practices and reported license plate recognition errors, stating that her concerns were directed toward the corporation and its technology rather than Oxford's Police Department. She encouraged Council to consider the potential consequences associated with the technology.

5. Consent Agenda.

All matters under the Consent Agenda are considered by the City Council to be routine and will be enacted by one motion. Any City Council member may, however, remove an item from consent by request. Items removed for separate discussion will be considered after the motion to approve the Consent Agenda.

The Des Fleurs Garden Club has done with the help of City Maintenance, so much work to improve the Inoes Park area. Inviting residents and passersby to enjoy the gardens. Unfortunately, this lovely park is overrun by many homeless people now. Our Garden workers are reluctant to work in the garden there, fearing their safety and security. And there is evidence these people have started fires using some of the mulch and materials recently placed there which also poses a safety hazard. They are also using a hose placed there for watering the garden for their morning cleaning. I know at the Tri and Community Park, they had recently been evicted and wonder why the same action is not taken to evict them from Inloes. Thank you for reading and I hope some quick action can be taken so that our garden workers can resume their work which is to beautify our city, Oxford Ohio. Thank you.

Forest Park Environmental Awareness Programs (Wright Gwyn, Program Manager)

Wright Gwyn, Program Manager for Forest Park Environmental Awareness Program, shared the variety of environmental incentives Forest Park offers its residents. He shared that the programs do not receive funding from the general fund, rather they use funding from solid waste coordination fees and partnerships.

Mr. Gwyn shared that his strategy is to offer a variety of programs to cover a wide variety of interests. He

also noted that some of these programs were initially grant funded and have developed over time. Key programs include:

- Winton Woods School District - Environmental Alliance
 - ~5k to schools, with Teachers proposing different projects
- Green Mower Program
 - \$100 reimbursement for an electric lawn mower. Initially funded by Hamilton County, now continues by Forest Park. Estimated cost of ~2k annually.
 - Mr. Gwyn noted that the incentive does influence some to buy an electric mower, while other recipients were going to buy a green mower regardless.
- Attic Insulation/Air Sealing
 - 60% subsidy up to \$1,500. 5-20 homes annually, \$20-25k annually. The program focuses on bringing old homes up to new code requirements (R-49) for attic insulation and air sealing.
 - Forest Park works with one contractor to perform free energy efficiency assessments and insulation work.
- 1-Year Family Memberships
 - 50% subsidy up to \$150 for 1-year family memberships to either the Museum Center, Nature Center, Observatory, Zoo & Botanical Gardens, Highland Discovery Garden, Krohn Conservatory. First come first served, ~3k annual cost.
- Home Cleanout Assistance
 - Partnership with Rumpke, mainly serves hoarder homes. Reimbursement depends on how full the dumpster is — if the dumpster is full, users will receive a full reimbursement.
- Reforesting Forest Park
 - \$10 native trees, ~75% subsidy to homeowners. Homeowners must plant the tree.
- Rewilding Forest Park
 - \$2 native plants, ~50% subsidy for homeowners.
 - Also have a native area at the community park, which cost \$3k for seeding and about \$1.2k for monthly maintenance. They did not do a planting design; rather, general seeding. They will be adding benches and a pergola to add a self interpretive space.
- Dead and Dying Tree/Limb Removal
 - 60% reimbursement, up to 1k per household. 15k annually. Does not cover any cosmetic work, such as stump removal and healthy tree pruning.

The commission asked if Mr. Gwyn estimates any carbon reduction from the programs - he said he does not measure or track the emissions reductions due to limited capacity. The commission liked Forest Parks' insulation program, noting that insulation and reducing energy use is the first step to reducing emissions, then sourcing clean energy. Mr. Vincent also liked that insulation "stays with the home" providing continued impact on the community even if the home owners change.

The commission asked Mr. Gwyn what his top programs are / what he recommends Oxford replicate. He recommended 2-3 different programs that reach different interests. He recommended focusing on the "feel good, fun programs" such as the green mower reimbursements.

Lastly, Mr. Gwyn, as an Oxford resident, recommended the commission consider native planting along the new portion of the OATS trail. He recommended a similar setup as Forest Park's wildflower grove with benches. Mr. Vincent shared that the priority is completing the trails and getting the infrastructure done first. Mr. Vincent shared that Kiwanis is providing 5k for benches along the trails.

2026 Sustainability Goals Update

Tera Paro, Green Umbrella Climate Action Fellow, provided a brief presentation regarding tornado resilience in Oxford. In summary, Oxford is more impacted by high winds from nearby tornadoes than by tornadoes touching down in Oxford. As global warming increases air temperatures, we are seeing Tornado Alley shift east, and the number of tornadoes within 25 miles of Oxford increase. Ms. Paro identified "hot spots" in Oxford where tornado / high wind shelters may be needed and conducted a preliminary walkability analysis of potential shelters. Mr. Bracken expressed his support and concern for the mobile home park in the event of high winds or a tornado. Mr. Bracken also shared that the new TOPSS building was not made to be a tornado shelter due to funding constraints. The commission was grateful and impressed by Ms. Paro's work.

Ms. Murphy also provided a brief update on 2026 Sustainability Goals.

No commissions had relevant updates to share and staff updates were covered in the 2026 goals.

Motion to adjourn: Mr. Vincent

2nd: Ms. Smyth

Vote: Unanimous approval

The meeting adjourned at 8:25pm.

DISCUSSION:

Miami University is closing several staff parking lots for construction of facilities during the fall semester of 2026. They have requested to rent the 77 parking spots along the east side of South Campus Avenue between East Spring Street and East Chestnut Street.

City staff have reviewed this request and will charge Miami University the parking meter fee in the 2026 salary ordinance of \$12 per day. The time period for this agreement will be August 24, 2026, to December 11, 2026. The total cost to Miami will be \$101,640.00.

Miami will cover our parking kiosks and remove and store other City of Oxford parking signage in this area. Miami will then fully manage the parking in this area for their staff members.

After the end of this agreement in December, Miami will restore the signage, and parking will revert to City of Oxford management.

The proposed parking agreement is included in Exhibit A.

This Parking Space Rental Agreement (the “Agreement”) is entered into by and between the **City of Oxford, Ohio**, an Ohio municipal corporation (the “City”), and **Miami University**, an institution of higher education of the State of Ohio (the “University”). The City and the University may be referred to individually as a “Party” and collectively as the “Parties.”

- B.** The University has requested to rent seventy-seven (77) parking spaces within this section of South Campus Avenue for use by the University during the Fall 2026 academic semester.
- C.** The Parties desire to set forth the terms governing the University’s temporary rental and use of those parking spaces.

NOW, THEREFORE, in consideration of the mutual promises and obligations contained in this Agreement, the Parties agree as follows:

1. Rental of Parking Spaces.

The City agrees to rent to the University, and the University agrees to rent from the City, seventy-seven (77) parking spaces located on the east side of South Campus Avenue between East Spring Street and East Chestnut Street (the “Rented Spaces”). The Rented Spaces shall be used by or for the benefit of the University during the Term, subject to this Agreement and applicable law.

2. Term.

The rental period shall commence on August 24, 2026, and shall terminate on December 11, 2026 (the “Term”), unless the Parties modify the Term by a written agreement signed by authorized representatives of both Parties.

3. Rental Fee and Payment.

The total rental fee for the Rented Spaces for the Term is One Hundred One Thousand Six Hundred Forty Dollars (\$101,640.00). The University shall pay the rental fee to the City in accordance with the City’s invoice or other mutually agreed written payment instructions.

4. Parking Enforcement.

During the Term, the University shall be responsible for parking enforcement within the rented portion of South Campus Avenue solely as it relates to the seventy-seven (77) Rented Spaces.

5. Signage.

The University shall be responsible for providing, installing, maintaining, and removing appropriate signage identifying the Rented Spaces during the Term. Any signage installed by the University shall be subject to the City’s reasonable approval and shall comply with applicable traffic and parking requirements.

6. Restoration of City Signage.

Upon expiration or earlier termination of this Agreement, the University shall return all City parking, traffic, and other signage that was removed, relocated, or otherwise affected by the rental to its proper location and condition. The University shall be responsible for reasonable costs associated with restoring City signage when such restoration is necessitated by the rental or the University's activities under this Agreement.

7. City Access and Public Safety.

Nothing in this Agreement limits the City's authority to take actions reasonably necessary for public safety, emergency response, street maintenance, utility work, traffic control, or compliance with law. To the extent practicable, the City will coordinate with the University regarding planned activities that materially affect use of the Rented Spaces during the Term.

8. Condition and Use of Premises.

The University accepts the Rented Spaces in their existing condition and shall use them only for lawful parking-related purposes consistent with this Agreement. The University shall not make permanent alterations to the street, curb, pavement, signs, or other City property without the City's prior written approval.

9. Damage to City Property.

The University shall be responsible for repairing or reimbursing the City for damage to City property caused by the University's installation, maintenance, removal, or relocation of signage or by other activities undertaken by the University in connection with this Agreement, excluding ordinary wear and tear.

10. Compliance with Law.

Each Party shall perform its obligations under this Agreement in accordance with applicable federal, state, and local laws, ordinances, rules, and regulations.

11. Termination.

This Agreement will automatically expire at the end of the Term unless extended in writing. The Parties may terminate this Agreement earlier by mutual written agreement. A Party may also terminate this Agreement for a material breach by the other Party if the breaching Party fails to cure the breach within a reasonable period after receiving written notice describing the breach, provided that no cure period is required when immediate action is reasonably necessary to protect public safety or comply with law.

DISCUSSION:

In March 2026, Ohio Representative Diane Mullins requested that agencies within Ohio House District 47 Submit Capital Project Requests. Staff Recommended Four Projects for the City of Oxford. Synthetic Athletic Field Improvement at Oxford Community Park was selected by Rep Mullins' Office and included in Senate Bill 450. The Ohio Senate approved Senate Bill 450 in June 2026. The State of Ohio Biennium Budget was signed by the Governor on July 1, 2026. The Ohio Department of Natural Resources will appropriate the funds in the amount of \$250,000 via the Capital Improvement Community Park Recreation/Conservation Project Pass-Through Grant Agreement. City policy requires that City Council authorize the application of, and acceptance of, grant funds.

This grant will fund the conversion of an athletic field at the Oxford Community Park to synthetic turf which will allow for year-round play and a quicker turn around for play after inclement weather. As the synthetic surface will not require a rest period as natural turf does. This improvement will increase the opportunities for competition and provide needed flexibility during baseball, softball, soccer and flag football seasons, as well as for reserved tournaments and matches at the location.

RESOLUTION NO.

WHEREAS, in March 2026, Ohio Representative Diane Mullins requested that agencies within Ohio House District 47 submit capital project requests; and

WHEREAS, the City of Oxford Parks and Recreation Department recommended funding synthetic athletic field improvement at the Oxford Community Park; and

WHEREAS, the Ohio Senate approved House Bill 450 on June 15, 2026 which included \$250,000.00 for the City of Oxford synthetic athletic field improvement at the Oxford Community Park project; and

WHEREAS, the Ohio Department of Natural Resources was assigned as the agency administering the funds and project compliance for the synthetic athletic field improvement at the Oxford Community Park; and

WHEREAS, City of Oxford policy requires that City Council authorize the application of, and acceptance of grant funds.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF OXFORD, BUTLER COUNTY, STATE OF OHIO, THAT:

SECTION 1: Oxford City Council authorizes the City Manager to apply for and accept up to \$250,000 from the State of Ohio for capital improvements within the Oxford Community Park.

WHEREAS, pursuant to S.B. 450 the 136th General Assembly of the State of Ohio has appropriated funds in the amount of **Grant Amount** Dollars (\$**xxxxx**.00) to make a grant to the Grantee for the costs associated with the construction of a park and recreation or conservation facility in appropriation item **C725E2**, more fully described as '**Project Name**', (hereinafter referred to as the "Project"). The Project reference number is **Project Number**; and

WHEREAS, the General Assembly has identified the Parks and Recreation Improvement Fund (Fund 7035), created and existing under R.C. § 154.22(F), as the fund from which these monies will be disbursed; and

WHEREAS, pursuant to R.C. Chap. 154 and Article VIII, Section 2i of the Ohio Constitution, capital facilities lease-appropriation bonds (the "Bonds") have been or will be issued by the Ohio Treasurer of State (the

“Treasurer”) for the purpose of paying the “costs of capital facilities” including acquiring, constructing, reconstructing, rehabilitating, renovating, enlarging and otherwise improving, equipping, and furnishing capital facilities for parks and recreation, all as defined and described in R.C. § 154.01(K). A portion of those Bonds proceeds will be used by ODNR to provide funding to the Grantee for the Project under this Agreement. Because ODNR is funding the Project with proceeds of those Bonds, ODNR requires that the Grantee make certain representations, warranties, and covenants (both affirmative and negative) concerning the Project and use of the grant funds, as more fully described or provided in this Agreement, in order to comply with federal and state laws, regulations, and rules relating to those Bonds and the projects funded with proceeds of those Bonds.

NOW THEREFORE, for the purposes of providing the funds to Grantee pursuant to S.B. 450 of the 136th General Assembly, the parties hereto covenant and agree as follows:

1. **Funding Amount.** ODNR agrees to provide the Grantee **xxxxxxx** Dollars (\$**xxxx**.00), via qualifying advance and reimbursement, to be used toward the total cost of the Project. Funds for this Project have been released by the Controlling Board as of _____ and encumbered by Contract Encumbrance Record Number _____ and are so certified by the Director of Budget and Management on _____. Obligations of the State are subject to the provisions of R.C. § 126.07. Any funds provided under this Agreement that are not spent shall be returned in full to the State.
2. **Project Description.** The Grantee shall use the grant funds for ‘**Project Name**’, a project to **description of project scope**, all as more fully described in Exhibit A attached hereto.
3. **Effective and Termination Dates.** This Agreement shall commence on the date that it is signed by ODNR (the “Effective Date”) and will, unless otherwise earlier terminated as provided herein, expire on the later of: (i) 15 years from the date of the payment of the final Project reimbursement (or Project acquisition if the Project is solely for the acquisition of real property) (“Project Closeout”); or (ii) the date upon which the latest Bond issuance funding or refinancing of the Project is paid in full (the “Term”). Grantee shall complete the Project on or before June 30th, 2028.
4. **No Restrictions of Record.** Grantee hereby represents and warrants that there are not now, and there will not be, any restrictions of record or otherwise with respect to the Project, including without limitation, any encumbrances, liens, or other matters, which would interfere with or otherwise impair the use of the property as described in the Boundary Map attached hereto as Exhibit B, to be acquired or on which the Project will be located and developed as a public parks and recreation or conservation facility (the “Property”) except for those restrictions permitted below. Grantee represents that it is, or will be, the fee simple owner, or has a lease, or other interest, such as an easement, with a term longer than the Term hereof, on the Property and that the only restrictions of record, or otherwise, with respect to the Property are: (a) all zoning regulations, restrictions, rules and ordinances, and other laws and regulations now in effect or hereafter adopted by any governmental agencies having jurisdiction over the Property, (b) dedicated public rights-of-way identified on Exhibit B, Boundary Map, and (c) the encumbrances, liens, easements, restrictions and other interests (“Encumbrances”) identified in Exhibit C, Title Encumbrances. Grantee hereby represents and warrants that there are not now, and it shall not cause there to be, any restrictions with respect to the Project or Property, including without limitation, any Encumbrances, which would interfere with or otherwise impair the use of the Property as a public park, recreation facility, or conservation facility.

5. **Notice of Tax Exempt Bond Funding.** The Notice of Tax-Exempt Bond Funding must be recorded at the county recorder's office in the county where the Project property is located by the Grantee. A copy of the recorded Notice of Tax-Exempt Bond Funding must be provided to ODNR, along with the recorded deed, prior to ODNR reimbursement of funds.
6. **Construction Services.** Grantee represents that it will contract for all construction services for the Project and will provide for construction administration. Grantee shall have the full authority to contract with third parties for the design and construction of the Project. Grantee shall secure all necessary permits and licenses for the Project. Grantee warrants that it will cause the Project to be constructed or acquired, as applicable, with all reasonable speed and reasonably adhere to any submitted development timeline. Grantee shall comply with all applicable federal and state requirements relating to the competitive selection of contractors and comply with its own competitive selection policies and procedures. If competitive selection for the Project is not required by law, to the extent reasonably possible as determined by Grantee, Grantee shall employ an open and competitive process in the selection of its contractors. Bid documents designed to be so restrictive to exclude open competitive bidding and bid documents that do not allow for "or equal" provisions may not be acceptable.
7. **Operation, Maintenance, and Upkeep.** Grantee shall be solely responsible for the operation, maintenance, and upkeep of the Project, and shall take all actions reasonably necessary to ensure that the Project is available to the public for the intended parks and recreation or conservation purpose during the Term.
8. **Conveyance of Interest in Project to ODNR.** As security for the performance of Grantee's obligations under this Agreement, Grantee hereby conveys to ODNR an interest in the Property, consisting of the right to use and occupy the Property and the facilities funded in whole or in part with grant funds under this Agreement upon default of this Agreement by Grantee. ODNR's interest in the Property shall be evidenced by the recorded Notice of Tax-Exempt Bond Funding. This interest shall terminate upon Grantee's successful performance of all obligations under this Grant Agreement. Grantee hereby acknowledges and agrees that ODNR may assign or convey such right to use and occupy such facilities to the Ohio Public Facilities Commission ("OPFC") or such other state agency selected by ODNR, and Grantee does hereby consent to such assignment or conveyance. In addition, ODNR has entered into a lease with OPFC relating to the Bonds and the Project; provided that, so long as Grantee shall not default under this Agreement, such lease shall not affect the Project or the use of the Property. ODNR acknowledges that, absent a default by Grantee, ODNR has no right to use or occupy the Property or Project. ODNR shall have the right during the Term hereof to enter upon the Property during normal business hours for purposes of inspection of the Project for compliance with this Agreement.
9. **Prohibition Against Disposition.** Grantee shall not dispose of all or any part of the Project or Property funded by ODNR through the Term of this Agreement without the prior written consent of ODNR and OPFC. All notices, demands, requests, consents, approvals, and other communications to OPFC shall be addressed as follows:

Ohio Public Facilities Commission
30 East Broad Street, 34th Floor
Columbus, Ohio 43215
Attn: Assistant Secretary

10. **Joint or Cooperative Use Agreement.** If the Property is owned by a separate nonprofit organization and made available to a state agency for its use or benefit, the nonprofit organization must either own, or have a long-term lease (for at least so long as the latest Bond issuance funding or refinancing of the Project have not been paid in full) of, the Property, and enter into a joint or cooperative use agreement, with and approved by the state agency that meets the requirements of S.B. 450.
11. **Liability; Waiver of Liability.** Grantee shall be solely liable for any and all claims, demands, or causes of action arising from its obligations under this Agreement. Each party to this Agreement must seek its own legal representative and bear its own costs, attorney fees and expenses, in any litigation that may arise from the performance of this Agreement or the Project. It is specifically understood and agreed that ODNR does not indemnify Grantee. Nothing in this Agreement shall be construed to be a waiver of the sovereign immunity of the State of Ohio or the immunity of any of its employees or agents for any purpose. Nothing in this Agreement shall be construed to be a waiver of any immunity of Grantee granted by statute or the immunity of any of its employees or agents for any purpose. In no event shall either party be liable for indirect, consequential, incidental, special, liquidated, or punitive damages, or lost profits. On and after the date of this Agreement, Grantee agrees not to seek any determination of liability against ODNR, OPFC, the Treasurer, or any department, agency, or official of the State in the case of claim or suit arising from the Project including the acquisition of the Property or any future condition, construction, operation, maintenance, or use of the Property or facilities which may be developed in relation to the Project. Grantee forever releases and waives any and all claims, demands, and causes of action it may ever possess or assert against ODNR and its employees, agents, officials, and attorneys arising from, or relating to, the Project.
12. **Insurance.**
- a. Adequate Insurance. Unless otherwise agreed to by ODNR in writing, Grantee shall maintain, or cause to be maintained, at no cost to ODNR, commercial general liability insurance and other insurance, including casualty insurance, and if applicable, professional liability insurance, and builder's risk insurance, to insure Grantee, and ODNR, OPFC, the Treasurer, and the State of Ohio, as additional insureds, in an amount and type determined by a qualified risk assessor to be sufficient to cover the full replacement costs of improvements funded, in whole or in part, by the State, and for bodily injury, property damage, personal injury, advertising injury, and employer's liability exposures of Grantee. Unless otherwise agreed to by ODNR in writing, such insurance shall remain in force at all times from the Effective Date hereof through the Term of this Agreement.
 - b. Self-Insurance. Instead of providing the general liability and casualty insurance above, Grantee may name ODNR, OPFC, the Treasurer, and the State as additional insureds and/or loss payees, as the coverage requires, under a self-insurance program or joint self-insurance pool created under R.C. §§ 2744.08 or 2744.081, respectively, and operated by or on behalf of Grantee, in order to meet the insurance requirements set forth herein.
13. **Bonded and Insured Employees and Agents.** Prior to any advance (but not reimbursement) payments by ODNR, Grantee will provide ODNR with a document that demonstrates that all employees or agents of Grantee who are responsible for maintaining or disbursing advanced funds acquired through this Agreement will be fully bonded or insured against loss of such funds. The bonding agent or insurer

shall be licensed to do business in Ohio. No part of the funds acquired by Grantee through this Agreement shall be spent to obtain that bonding or insurance.

14. **Public Funds Compliance.** Grantee will assure compliance with all applicable federal, state, and local laws and regulations pertaining to handling, management, and accountability in relation to public funds. All funds received by Grantee under this Agreement shall be deposited in one or more financial institutions that fully insure, secure, or otherwise protect the funds from loss through federal deposit insurance and/or other deposit and/or collateralization strategies that protect the funds against loss. If Grantee is a political subdivision of the State of Ohio, grant funds shall be held in compliance with R.C. Chap. 135.
15. **Reports and Records.** Grantee shall keep and make all reports and records associated with the Project funded under this Agreement available to the State Auditor, or the Auditor's designee, ODNR, and OPFC for a period of not less than eighteen (18) years after the date of the Project Closeout. These reports and records shall include a description of the Project, a detailed overview of the scope of work, disbursement details (including amount, date, nature/object of expenditure), and vendor information. Grantee acknowledges that the Auditor of State and other departments, agencies, and officials of the State may audit the Project at any time, including before, during, and after completion. Grantee agrees that any costs of audit by the Auditor of State or any other department, agency, or official of the State will be borne exclusively by, and paid solely by, Grantee, and that the funds provided under this Agreement will not be used by Grantee for payment of any audit expenses for any reason at any time.
16. **Restrictions on Expenditures.** Grantee affirmatively states that Grantee is fully aware of the restrictions and guidelines for expending funds granted under this Agreement and intends to comply fully with the same. Grantee will implement appropriate monitoring controls to ensure that funds acquired through this Agreement are expended in accordance with all applicable laws, rules, and requirements.
17. **Determination of Ineligibility.** If it is determined by any audit by the Auditor of State or any department, agency, or official of the State of Ohio or other agency or entity with legal audit authority that any Project expense is ineligible, or not properly documented, Grantee will repay that amount in full to the State of Ohio.
18. **Equal Opportunity Compliance.** If Grantee is a political subdivision, Grantee shall comply with the requirements of R.C. § 125.111 for all contracts for purchases under the Project.
19. **Real Property Acquisition.** All appropriations of real property for the Project by Grantee shall be made pursuant to R.C. §§ 163.01 to 163.22, except as otherwise provided in R.C. Chap. 163.
20. **Prevailing Wage.** Except as provided in R.C. § 4115.04, monies appropriated or reappropriated for the Project shall not be used for the construction of public improvements, as defined in R.C. § 4115.03, unless the mechanics, laborers, or workers engaged therein are paid the prevailing rate of wages prescribed in R.C. § 4115.04. Nothing in this section affects the wages and salaries established for state employees under R.C. Chap. 124, or collective bargaining agreements entered into by the State of Ohio under R.C. Chap. 4117, while engaged on force account work, nor does this section interfere with the use of inmate and patient labor by the State of Ohio.

21. **Project Nondiscrimination.** Grantee agrees that any facilities that may be developed now or in the future on the lands comprising the Project will be made available to all persons regardless of race, color, sex, religion, national origin, ancestry, age, military status, handicap, or disability on the same terms and conditions.

22. **Employment Nondiscrimination.** Pursuant to R.C. Chap. 4112, Grantee agrees that Grantee and any person acting on behalf of Grantee or a contractor, shall not discriminate, by reason of race, color, religion, sex, sexual orientation, age, disability, military status as defined in R.C. § 4112.01, national origin, or ancestry against any citizen of this State in the employment of any person qualified and available to perform services relating to the Project. Grantee further agrees that Grantee and any person acting on behalf of Grantee or a contractor shall not, in any manner, discriminate against, intimidate, or retaliate against any employee hired for the performance of services relating to the Project on account of race, color, religion, sex, sexual orientation, age, disability, military status, national origin, or ancestry.

23. **ODNR Right to Terminate.**

- a. Breach; Notice. ODNR reserves the right to terminate this Agreement upon written notice to Grantee and to recover any funds distributed by Grantee to contractors or other payees in violation of the terms of this Agreement if Grantee is determined by ODNR to be unable to proceed with the Project, or if Grantee violates any of the terms herein. Failure to comply with any provision of this Agreement may result in demand for repayment of all or a portion of the grant funds paid by ODNR to Grantee under this Agreement. The amount to be repaid will be calculated based on the ratio of (x), the number of months from the event triggering the reimbursement to the final scheduled maturity date of the Bonds, over (y), the total number of months that the Bonds are scheduled to be outstanding. Grantee shall not make any grant repayment unless first consulting with ODNR, and ODNR shall not accept any repayment without first obtaining the approval of the Ohio Public Facilities Commission ("OPFC").
- b. Opportunity to Cure. ODNR, in its sole discretion, may permit Grantee to cure a breach. Such cure period shall be no longer than twenty-one (21) calendar days. Notwithstanding ODNR permitting a period of time to cure the breach or Grantee's cure of the breach, ODNR does not waive any of its rights and remedies provided to ODNR in this Agreement or as may be permitted by law.

24. **Remittances.** If for any reason, funds acquired through this Agreement are required to be paid, repaid, or remitted to the State of Ohio, they shall be remitted in full by the Grantee within forty-five (45) days of demand to:

Ohio Treasurer of State
30 East Broad Street, 9th Floor
Columbus, Ohio 43215

Any such remittance shall include a copy of this Agreement. A copy of the cover letter transmitting the remittance to the Treasurer of State shall be sent simultaneously to ODNR.

25. **Legal, Federal Tax, and Other Compliance.**

- a. Reports of Expenditures. Grantee will assure that monies expended under this Agreement are spent in conformity with the intent and purpose of the appropriation, the limitations on use set forth in the legislation containing the appropriation, R.C. Chap. 154 and all other laws that apply to the appropriation of monies to, and the expenditure of monies by, Grantee. If Grantee is required to submit an annual financial report to the Auditor of State, in accordance with Auditor of State Bulletin 2015-07, then Grantee shall report the funds it acquires through this Agreement as a separate column identified in a manner consistent with the Project description in appropriation item **C725E2**. If Grantee is not required to submit the aforementioned report, Grantee shall file an annual detailed expenditure report of all expenditures associated with the Project with the Auditor of State by March 1st every year until all funds provided in this Agreement have been spent. The above reports shall be filed in accordance with Auditor of State Bulletin 2015-07.
 - b. Compliance with Employment Laws. Grantee agrees to comply with all applicable federal, state, and local laws and regulations, in the conduct of the Project and acknowledges that its employees are not employees of ODNR with regard to the application of the Ohio Public Employees Retirement law, Fair Labor Standards Act minimum wage and overtime provisions, Federal Insurance Contribution Act, Social Security Act, Federal Unemployment Tax Act, Internal Revenue Code, Ohio revenue and tax laws, Ohio Workers' Compensation Act, and Ohio unemployment compensation law.
 - c. Compliance with Law; Preservation of Tax-Exempt Status of Bonds. Grantee agrees to use funds provided under this Agreement in accordance with the Ohio Constitution and any state or federal laws and regulations that may apply. Grantee shall repay ODNR any funds improperly expended. Additionally, Grantee agrees to comply with all requirements within its control necessary to preserve the tax status of all tax-exempt or tax-advantaged bonds, the proceeds of which are used to provide the funding to Grantee set forth in this Agreement. Unless otherwise determined by the OPFC, such requirements include, but are not limited to, ensuring that the funds provided under this Agreement finance capital expenditures (as opposed to operating expenses) and are not used to refund or otherwise refinance existing debt of Grantee. Grantee shall be liable for any payments to the Internal Revenue Service or the U.S. Treasury as penalties or to preserve the tax status of tax-exempt or tax-advantaged bonds, and any other costs, resulting in whole or in part from actions taken by Grantee, including the failure of Grantee to comply with federal income tax laws applicable to such bonds. Grantee agrees to consult with OPFC if the Grantee is uncertain as to what expenditures are eligible to be financed with funds provided under this Agreement.
- i. **Relationship of Parties.**
- a. Expenses. Grantee shall be responsible for all of its own business expenses, including, but not limited to, computers, email and internet access, software, phone service, and office space. Grantee will also be responsible for all licenses, permits, employees' wages and salaries, insurance of every type and description, and all business and personal taxes, including income and Social Security taxes and contributions for Workers' Compensation and Unemployment Compensation coverage, if any, unless payment for any such item is specifically provided for herein or in the purchase order.

- b. **No Control Over Means and Methods.** While Grantee shall be required to perform its obligations described hereunder during the term of this Agreement, nothing herein shall be construed to imply, by reason of Grantee's obligations hereunder, that ODNR shall have or may exercise any right of control over Grantee with regard to the means or method of Grantee's performance of its obligations hereunder.
 - c. **Right to Bind.** Except as expressly provided herein, neither party shall have the right to bind or obligate the other party in any manner without the other party's prior written consent.
 - d. **No Agency.** Neither Grantee nor its personnel shall at any time, or for any purpose, be considered as agents, servants, or employees of ODNR or the State of Ohio.
- ii. **No Finding for Recovery.** Grantee represents and warrants that it is not subject to a finding for recovery under R.C. § 9.24, or that it has taken appropriate remedial steps required under R.C. § 9.24 or otherwise qualifies under that section. Grantee agrees that if this representation or warranty is determined by ODNR to be false, this Agreement shall be void ab initio as between the parties to this Agreement, and any funds paid by the State hereunder immediately shall be repaid in full to the State, or an action for recovery immediately may be commenced by the State for recovery of said funds.
 - iii. **Qualification to Receive Grant.** Grantee affirms that it is a duly authorized federal government agency, municipal corporation, county, or other governmental agency or nonprofit organization, qualified to receive grants under R.C. § 154.22(F). Grantee further affirms that if at any time during the Term of this Agreement, Grantee for any reason becomes disqualified from receiving grants under R.C. § 154.22(F), Grantee will immediately notify ODNR in writing and will immediately cease performance of the Project. Failure to provide such notice in a timely manner shall void this Agreement and may be sufficient cause for the State of Ohio to debar the Grantee from future state grant opportunities as may be permitted by law.
 - iv. **Campaign Contributions.** Grantee hereby certifies that neither it, nor any person described in R.C. § 3517.13 (I) or (J), nor the spouse of any such person, has made, as an individual, within the two previous calendar years, one or more contributions to the governor or the governor's campaign committees totaling in excess of the limitations specified in R.C. § 3517.13.
 - v. **Ethics Certification.** Grantee, by signature on this document, certifies that it: (i) has reviewed and understands the Ohio ethics and conflict of interest laws as found in R.C. Chap. 102 and in R.C. §§ 2921.42 and 2921.43, and (ii) will take no action inconsistent with those laws. ORIGINATING DEPARTMENT:	City Manager
PREPARED BY:	Jessica Greene
DATE PREPARED:	8/11/2026
COUNCIL MEETING DATE:	August 18, 2026
AGENDA TITLE:	A Resolution Accepting The Recommendation Of The Public Arts Commission For A Mural As Described In Exhibit A, For Installation At 909 S. Main Street (Jessica Greene, Assistant City Manager)
COUNCIL GOAL AREA:	Celebration of the People and Places that Make Oxford Unique
BUDGETED AMOUNT:	\$17,600
ACCOUNT CODE:	
RECOMMENDATION:	Approval
CITY MANAGER/DEPT HEAD APPROVAL:	DRE/JG

DISCUSSION:

The Oxford Comprehensive Plan objective R3-A6 calls for the inclusion of public art as part of the city's capital improvement plan. Council allocated \$50K to the capital improvement plan for public art projects in 2025/2026.

The Public Arts Commission of Oxford (PACO) is recommending a mural tied to the upcoming Amtrak station.

PACO partnered with Talalwanda School District (TSD) for permission to place a mural on TSD-owned property at 909 S. Main Street and had three (3) TSD staff members join PACO on the mural review and selection committee. Talawanda approved the mural location at their May 14, 2026 board meeting.

PACO issued a call for art and had 30 responses. During the public meeting on June 8, 2026, PACO selected three finalists and provided a stipend for their formal mural proposals. At the July 13, 2026 PACO public meeting, they selected the Key Detail mural concept as their finalist and asked for minor design amendments based upon public and commission members comments. Amtrak was also given an opportunity to review the mural and provide comment.

At their August 10, 2026 meeting, PACO reviewed the design revisions and voted to recommend the mural by Key Detail to City Council. These artists were selected for their mural design and how it incorporates key components of Oxford, Amtrak, and Talawanda. This artist was also selected for their commitment to public involvement during the mural installation process.

The mural is anticipated to cost \$16,000, and we've allowed for a 10% contingency, so the budget should not exceed \$17,600.

We recommend approval.

RESOLUTION NO.

A RESOLUTION ACCEPTING THE RECOMMENDATION OF THE PUBLIC ARTS COMMISSION FOR A MURAL AS DESCRIBED IN EXHIBIT A, FOR INSTALLATION AT 909 S. MAIN STREET.

WHEREAS, the Oxford Comprehensive Plan includes Objective R3-A6, which calls for the inclusion of public art as part of the City's Capital Improvement Plan; and

WHEREAS, the Public Arts Commission (PACO) has partnered with Talawanda School District to paint a mural tied to the new Amtrak project on the TSD-owned building at 909 S. Main Street; and

WHEREAS, Talawanda approved this partnership for a mural at their May 14, 2026 Board Meeting and added three (3) staff members to the mural review and selection committee; and

WHEREAS, PACO issued a call for art, receiving thirty- one (31) mural concepts from artists, and subsequently selected three (3) finalists to develop formal proposals; and

WHEREAS, following review of the final submissions, PACO voted on August 10, 2026, to recommend the selection of the mural design by Key Detail, artists Andrey and Julia Kravtsov to City Council; and

WHEREAS, the project estimate for the mural installation is \$16,000 with a 10% contingency, not to exceed \$17,600.

Mural Concept recommended by Public Art Commission

Mural Proposal Description by artists:

Our concept transforms the pedestrian corridor connecting Main Street to the new Amtrak platform into a vibrant and welcoming gateway to Oxford. The mural celebrates the city's identity through a playful, colorful, and dynamic composition that invites travelers and residents to pause, explore, and discover the community's unique character.

At the heart of the design is a striking red cardinal, inspired by the historic Cardinal Line. As Oxford welcomes its new Amtrak stop, the cardinal symbolizes movement, connection, and the city's exciting new chapter in passenger rail. The bird gracefully carries a plant, representing the railroad paths that connect people, landscapes, and communities.

A speeding train moves through the composition, expressing the energy, accessibility, and opportunity that rail travel brings to Oxford. Native oak branch with acorns celebrate one of the region's iconic trees, emphasizing the city's natural beauty and resilience.

Education, one of Oxford's defining values, is represented by an open book, referencing the Talawanda School District and the community's strong commitment to learning and lifelong curiosity. Above the windows, a fragment of stylized railroad track ties the composition together. The mural also incorporates recognizable Oxford landmarks, including the historic Brown Street Clock and the Pulley Bell Tower, creating a strong sense of place and welcoming visitors with familiar local icons.

Together, these elements create an engaging visual narrative that reflects the history, education, natural environment, and future of Oxford.

Location: 909 S. Main Street. Property owned by Talawanda School District. Approved May 14, 2026 by TSD School Board.

STAFF REPORT

ORIGINATING DEPARTMENT:	Community Development
PREPARED BY:	Sam Perry
DATE PREPARED:	8/11/2026
COUNCIL MEETING DATE:	August 18, 2026
AGENDA TITLE:	An Ordinance Accepting The Recommendation Of The Planning Commission To Repeal And Replace Zoning Code Section 1143.10, Uptown District, To Allow For Retail Services Up To 20,000 Square Feet As A Permitted Use (Sam Perry, Community Development Director)
COUNCIL GOAL AREA:	Economic Development
BUDGETED AMOUNT:	
ACCOUNT CODE:	
RECOMMENDATION:	Approve as Recommended
CITY MANAGER/DEPT HEAD APPROVAL:	DRE/SP

DISCUSSION:

Economic Development staff submitted a text amendment request in late 2024 intending to decrease the length of initial vacancy rate of first floor commercial spaces in new builds Uptown. Currently, any single business cannot exceed 10,000 square feet of tenant space without seeking conditional use approval. Approvals that require public hearings typically reduce investor interest in a community, due to time and risk. Planning Commission reviewed the proposal and provided feedback. Community Development staff responded to Commission concerns by separating out restaurants/bars so that conditional use review would still be required for those potential nuisance uses. Other retail uses up to 20,000 square feet could proceed without a conditional use approval. The Commission voted unanimously in March 2025 to recommend the final revised version to City Council. However, staff unknowingly neglected to place the item on a Council agenda for First Reading. This amendment will be included within the overall Zoning Code re-write; however, revising it now could potentially facilitate earlier approval of any building permits for retail uses over 10,000 square feet. For comparison, many of the smaller businesses on High Street are 2,000 - 5,000 square feet.

ORDINANCE NO.

AN ORDINANCE ACCEPTING THE RECOMMENDATION OF THE PLANNING COMMISSION TO REPEAL AND REPLACE ZONING CODE SECTION 1143.10, UPTOWN DISTRICT, TO ALLOW FOR RETAIL SERVICES UP TO 20,000 SQUARE FEET AS A PERMITTED USE.

WHEREAS, the City of Oxford Planning and Zoning Code Uptown Zoning District Section 1143.10 currently permits retail services, including restaurants and bars, to exceed 10,000 square feet; through the process of a conditional use permit approval; and

WHEREAS, City of Oxford Community Development and Economic Development staff proposed an amendment to Section 1143.10 which would allow retail services up to 20,000 square feet without a conditional use approval; and

WHEREAS, the Planning Commission held hearings in December 2024 and March 2025 to review this topic; and

WHEREAS, the Planning Commission revised the amendment to allow retail services to exceed 10,000 square feet without conditional use approval, with the exception of restaurants and bars; and

WHEREAS, On March 11, 2025, Planning Commission voted 5-0 to recommend approval of the revised amendment to City Council; and

WHEREAS, the City Manager and Community Development Director find that the amendment complies with the procedures of Section 1135.02 and recommend that City Council accept the recommendation of the Planning Commission; and

WHEREAS, Council finds in accordance with Section 1135.02 of the Codified Ordinances of the City of Oxford, the City of Oxford Planning Commission held a public hearing on March 11, 2025, and that following the public hearing did deliberate and as a result of that deliberation, the Planning Commission recommended repealing Oxford Codified Ordinance Section 1143.10 entitled Uptown District, and adopting new Section 1143.10 entitled Uptown District consistent with the final clean version found in Exhibit A, attached.

THE COUNCIL OF THE CITY OF OXFORD, OHIO, HEREBY ORDAINS THAT:

SECTION 1: Council hereby repeals Section 1143.10 entitled Uptown District and adopts new Section 1143.10 as shown in attached Exhibit A.

SECTION 2: This Ordinance shall take effect at the earliest time allowed by law.
